

CONWAY CHRISTIAN SCHOOL
STANDARD OF CONDUCT
2018-2019

Conway Christian School was founded upon the conviction that young people should be able to gain a solid academic education in an environment that is conducive to spiritual growth. The school holds that the Bible is the sole authority on all spiritual matters and the spiritual growth begins with the initial act of saving faith and continues throughout life.

As a part of its basic philosophy of education, Conway Christian also recognizes that the home is primarily responsible for development of Christian character and a Christian conscience in the child, in which the church is essential, and that the school is responsible for building on this foundation.

In order to build on this foundation, Conway Christian must, therefore, provide an environment conducive to the spiritual growth and development of young people who are not yet mature Christians. We believe a Standard of Conduct, based upon the following Biblical passages, is necessary to provide such an environment. (1 Corinthians 8:9, 12-13; 10:32) The lifestyle of the Christian will endeavor to avoid practices which cause the loss of sensitivity to the spiritual needs of the world and loss of the Christian's physical, mental, or spiritual well-being. (1 Corinthians 9:27)

A growing awareness of the need for spiritual growth in the light of these principles has led Conway Christian to adopt the following standards which are believed to be conducive to an environment which will best promote the spiritual welfare of the student.

The school, therefore, expects each student to maintain Christian standards of courtesy, kindness, morality and honesty. The school further requires each student to refrain from profanity, indecent language, sexting, gambling, cheating, sexual immorality, stealing, the use of any type of tobacco, drugs, alcohol, and pornographic materials, and from participation in unlawful, violent, or destructive acts.

Conway Christian School does not condemn others who would view these restrictions differently, but we believe that the restrictions mentioned are types of conduct which are detrimental to spiritual growth.

Students are expected to abide by these standards throughout their enrollment at Conway Christian School. This includes both in-term and out-of-term times (school, home, social networking or any other place). Students found to be out of harmony with the Conway Christian School ideals of work and life may be asked to withdraw whenever the general welfare of the student body demands it.

It should be understood that this is a joint agreement between the school, the parent, and the student. It should be obvious to the parent that the school will enforce these standards. It should also be obvious to the school that the parent enforces these standards while the student is associated with CCS during the school term and the summer.

Conway Christian School considers it unethical to use or purchase any teacher guides, test answer keys, or quiz answer keys. We ask that if your child is having difficulty in a particular academic area that you contact the teacher for assistance.

I do not have now nor will I purchase any teacher guides, test keys or quiz keys of the curriculum used by Conway Christian School (i.e. ABeka, Bob Jones . . .) while my child is a student at Conway Christian Elementary or Conway Christian Upper School.
