## **OUR MISSION**

“Conway Christian School exists to partner with Christian families by offering a biblically-directed, college preparatory education focused on equipping students to serve and impact the world for Jesus Christ.”

Conway Christian School was founded in 1992 to provide an educational experience for children and young people that are grounded in biblical principles. Our goal is to produce spiritual and academic growth in our students by providing quality opportunities in terms of learning and development of character.

The faculty and staff of Conway Christian School are committed Christians and are trained in their areas of teaching. We believe the teacher serves as a role model and has a tremendous impact on the lives of our students.

The students represent varied backgrounds of religious interests and academic pursuits. Conway Christian School offers the concept of Christian education to all who choose it.

We know the parents are necessary in the educational process and we encourage you to be active in your student’s experiences. Cooperation between the school and parents is essential to success.

Please contact the administrative offices at 501-336-9067 if you have any questions. We invite your inquiry at the upper school 501-336-9772.

## **PHILOSOPHY OF EDUCATION**

The educational philosophy of Conway Christian School is based on a God-centered view that all truth is God's truth. The Bible is the inspired and only infallible, authoritative Word of God which is the foundation for all truth. God created all things and sustains all things. Therefore, the universe and man are dynamically related to God and have the purpose of glorifying Him. Because man is a sinner by nature and choice, he cannot, however, glorify or know God. He can do this only by choosing God's free gift of salvation through His Son, Jesus Christ, thereby committing his life to the Lordship of Jesus Christ.

The entire process of education is seen as a means of bringing the student into a relationship with God and developing him spiritually, intellectually, emotionally, physically, and socially. The parent is primarily responsible for this education and the school should function as an extension of the home to aid the parents in biblical, Christian education.

## **DOCTRINAL STATEMENT**

**The Scriptures** – We believe the Bible is the divinely inspired, inerrant, infallible Word of God and is the foundation of all knowledge.

**God** – We believe there is only one living and true God who is the Creator, Redeemer, Preserver, and Ruler of the universe. We believe God reveals Himself to us as Father, Son, and Holy Spirit.

**God the Father** – We believe that God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace.

**God the Son** – We believe that Christ is the eternal Son of God. In His incarnation, He was born of a virgin, lived a sinless life, died a sacrificial death, rose victorious over the grave, and is coming again to judge the world and to consummate His redemptive mission.

**God the Holy Spirit** – We believe the Holy Spirit is the Spirit of God. He inspired the writing of God's Word, exalts Christ, and now works to convict men of sin, righteousness, and judgment. He now dwells in all believers, thus empowering them for service.

**Man** – We believe that man was created by God in His own image but by his free choice he sinned against God. All men are now sinners by birth and by choice. Only the grace of God can bring man into fellowship with God through the salvation found in Jesus Christ.

**Salvation** – We believe that salvation involves the redemption of the whole man and is offered freely to all who come to Christ through repentance and faith in Him.

**God's Purpose of Grace** – We believe that election is the gracious purpose of God according to which He regenerates, sanctifies, and glorifies sinners. We also believe that all true believers endure to the end and will never fall away from the state of grace.

**The Church** – We believe that a church is a local body of believers who are associated by covenant in the faith and fellowship of the gospel. The church is an autonomous body operating under the Lordship of Jesus Christ. We believe that all Christians should be involved in a local church according to Hebrews 10:25.

**Last Things** – We believe that God, in His own time and His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth, the dead will be raised, and Christ will judge all men in righteousness. The unrighteous will be sent to a literal hell and the righteous will dwell forever in a literal heaven.

## **CONWAY CHRISTIAN COMMUNITY STATEMENT**

### **Christian Community**

Conway Christian School is a community of Christian believers whose purpose is to educate students in the biblical principles that the traditional Christian Church has been commissioned from Jesus Christ (Matt 28:18-20). A Christian believer is defined as an individual that has been convicted of their sin by the Holy Spirit, repented of their sin to God and put their faith in Jesus Christ as their personal Lord and Savior. Conway Christian School practices the fundamentals of the faith by following the sixty-six books of the Bible that the historical Christian Church has affirmed to be God's Holy Scripture. Our focus is to bring together the Conway Christian School community of Christian believers and diligently work in harmony consisting of the Board of Trustees, administration, faculty, staff and parents to "train up a child in the way he should go" (Proverbs 22:6), and "I have no greater joy than to hear my children walk in truth" (3 John 1:4).

### **Christian Community Explanation**

The goal of campus life at Conway Christian School is to live, work, serve, and worship together as an educational community centered on the Lord Jesus Christ. Our mission as an academic community is not merely the transmission of information it is "To partner with Christian families in a biblically-directed, college preparatory education focused on equipping students to serve and impact the world for Jesus Christ". It is the development of the whole person who will build the church and benefit society "For Christ and His Kingdom." Along with the privileges and blessings of home and school partnership, the Conway Christian School community takes these responsibilities seriously.

"All scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness." - 2 Timothy 3:16

The biblical foundation of Christian community is expressed in Jesus' two great commandments: "Love the Lord your God with all your heart and with all your soul and with all your mind," and "Love your neighbor as yourself" (Matthew 22 37-40). Jesus himself perfectly demonstrated the pattern: love for God, acted out in love for others, in obedience to God's word. Acknowledging our dependence on the power and grace of God, the representatives of Conway Christian School which includes our board of trustees, employees, registered volunteers, as well as the participants which include all our students,

parents of students, unregistered volunteers and invited guests humble covenant to live according to this ideal and also expressed in the following guidelines:

**Required by the law:** Conway Christian School beliefs include all conduct required by the law of the land. All conduct prohibited by the law is outside the boundaries of Conway Christian School's beliefs. Examples of this category would be the illegal use of alcohol (specifically consumption by minors or situations where parents knowingly allow minors to drink in their presence), drugs or other substances.

**Proscribed by the Bible:** While certain conduct may or may not be declared by the state to be unlawful, the Conway Christian School representative and the Conway Christian School participant is to avoid conduct proscribed by the historical Christian Church as unbiblical. (Note: while some practices proscribed by the historical Christian Church may actually be protected by the law as individual rights under the law, that conduct might still violate the biblical command for conduct acceptable for a follower of Christ) A contemporaneous example is the declaration by the US Supreme court that homosexual marriage must be included in the definition of marriage that can be officially sanctioned by the state. Such declaration by the court does not change the historically Christian or Conway Christian School view that the rite of marriage for Christians is between a man and woman.)

### **Community Conduct-Religious Organization**

Laws governing commerce ban discriminations on the basis of race, color, sex, nationality, age and disability generally apply to religious organizations, with the noteworthy exception that religious organizations like Conway Christian School and our community are allowed to make decisions on the basis of our religious beliefs. Conway Christian admits students of any race, color, national or ethnic origin to all the privileges and activities generally accorded to all students at the school.

As a private educational institution, Conway Christian School admits and retains students based on academic and behavioral performance of each student. As a religious organization Conway Christian School will exercise its position as a religious organization in the admissions, enrollment or any other category of our Christian community relationship if we believe that doing so will cause confusion, conflict or potentially compromise the community's mission to provide a historically Christian, Jesus Christ focused education. Any decision not to partner based on our beliefs will be based on the historical doctrines of the Church of Jesus Christ, limited and set forth in the sixty-six books of the Bible, which we view to be the true word of God, and the only word of God, infallible in its truth and practice. All final decisions will be made by the Conway Christian School's President/CEO with review, if necessary, by the Board of Trustees. The policy will apply to all Conway Christian community affairs, including contracts, activities and/or events, facilities and publications.

### **Roles, Standards and Expectations for Representatives**

In response to God's calling on their lives, Conway Christian School representatives work both individually and together to exercise and express our Christian beliefs. In so doing, they advance the school's mission.

Conway Christian School representatives shall be expected to (1) model our Christian beliefs anywhere, anytime including non-school hours (2) conduct all of their duties as a service to God and, (3) participate in distinctly Christian activities.

1. **Christian Beliefs** – Each representative shall affirm agreement with the school’s Doctrinal Statement, Mission Statement, Philosophy of Education, Core Values, Educational Objectives and any other official policies and procedures as outlined and approved by the Board of Trustees. In addition, representatives shall not subscribe to or promote any religious beliefs inconsistent with these beliefs.
1. **Christian Conduct** – Representatives shall at all times (both inside and outside of school hours) strive to live in accordance with the Biblical standards.
2. **Distinctly Christian Activities** – Each representative shall be ready, willing and capable to lead or contribute to distinctly Christian ministry activities such as Bible studies, worship or prayer services.

## **Roles and Expectations for Community Participants**

**Students and Parents** – Conway Christian School requires that at least one parent or legal guardian of each student be a devoted follower of Jesus Christ as evidenced by a faith walk, testimony and active participation in a local historical Christian church. They must also adhere to the school’s Doctrinal Statement. In furtherance of its mission, the school provides educational instruction, programs, facilities and other activities for students. Each community representative is required to abide by this Community Covenant and be fully supportive of the school’s mission.

**Registered Volunteers** – A volunteer serving in a Conway Christian School ministry is not considered to be a “representative” of the school’s Christian community unless they are serving in leadership positions on the PTF and/or Booster Club. However, all volunteers registered or non-registered (i.e. concession workers, homeroom moms) are required to acknowledge that they understand and agree to support our school mission, policies and values by action and in communication. The school reserves the right to give preference for such service to alumni and volunteers who share our Christian beliefs.

**Standards for Community Activities and Facility Use** – Conway Christian School engages in activities and uses its facilities solely to exercise, express and further our Christian beliefs and mission. At times, pending President/CEO and/or Board of Trustee approval we may allow use of our facility by groups that are not directly associated with Conway Christian School. We reserve the right to prohibit any activity or use of our facilities by another group or person if we determine any of the following:

1. The person or group undermines our ability to accomplish our Mission.
2. The person or group expresses a message contrary to our Christian beliefs.
3. The person or group displays values or conduct contrary to our Christians beliefs.

## **Implementing Community Standards**

**Our Decision Making Process Includes a Spiritual Element:** The responsibility of ensuring that each proposed activity, which directly or indirectly affects the reputation of our school, and any potential usage of Conway Christian School’s facilities complies with the standards set forth in this document rests with the President/CEO, the Chairman of the Board of Trustees, and the representatives they delegate for such decisions. These leaders are expected to consider each situation with reliance upon the guidance that God provides through His Word and His Spirit. School leadership may disallow any

activity or facility usage on the grounds that the individual or group possess views and beliefs which are perceived to be contrary to those of Conway Christian School.

**Noncompliance:** The President/CEO and the Chairman of The Board of Trustees will be responsible for determining cases of noncompliance toward the beliefs and/or expression of school's Christian standards. Noncompliance will be defined by anything or anyone that embraces beliefs contrary to those of Conway Christian School and/or attempts to limit the expression of those Christian beliefs and standards.

**Additional Authority:** Based on the Christian beliefs and standards of Conway Christian School, the President/CEO or Chairman of the Board of Trustees may establish additional standards for proposed activities and facility usage that will both guard and express the beliefs of the school.

**Limits:** Conway Christian School may change this document at any time. This document does not guarantee employment for anyone, and it does not affect the nature of the school-employee relationship which is solely at-will.

### **Beliefs Embraced by and Refused by the Historical Christian Church**

The doctrinal beliefs of the Conway Christian School community are the same as those of the historical Christian church identified in the sixty-six books of the Bible. The new age faith systems identifying themselves as Christian, such as the Jesus Christ Church of Latter Day Saints (Mormons) and the Jehovah's Witness are considered by Conway Christian School to be outside our circle of belief and not embraced by the historical Christian church.

It's the belief of Conway Christian school that admission of a student of a parent who believes in such a faith tradition outside the scope of the historical Christian church would create confusion in the classroom, would be counterproductive to our community, as well as to the applying family and potentially prevent us from fulfilling our mission. Therefore, admission will be denied when Conway Christian School determines that the faith doctrine of an applicant does not align with the doctrine and mission of the Conway Christian School community.

### **Human Sexuality and Marriage**

We profoundly believe that God created each human to pursue intimacy first with Him, and that He then calls some to pursue marriage, others to a life of singleness. We also believe God created people in His image and chose to give humans a partner to reproduce and inhabit the earth. Thus God created Adam and Eve, as referred to in the Holy Bible. By creating two distinct genders, male and female, and that the intended biological gender is determined at the time of birth God then created a divine institution of marriage a covenant relationship between one man and one woman. He calls for all husbands and all wives to sexual fidelity within the covenant. We believe sexual relations outside of marriage, regardless of sexual orientation, are inconsistent with God's truth and certainly undermine the way god created us and called us to live.

Our position regarding human sexuality and marriage applies in all policies in the Conway Christian School community. Any events involving members of the community or event held in a Conway Christian facility pertaining to marriage (weddings, ceremonies, receptions, and/or anniversaries) shall involve only marriage consistent with our historical Christian beliefs regarding marriage. We require all

community representatives and participants to live in accordance with our community beliefs regarding human sexuality and marriage.

### **Politics and Public Communication**

In many situations advocacy for certain political positions may be construed by others in our community and outside our community to be at odds with our religious beliefs or those in our community. For this reason, Conway Christian School does not offer nor do we acknowledge or allow community members, or non-community members, to publicly advocate for such political positions while on campus, at school events or activities. An elected official shall be allowed to speak to a group of Conway Christian School students while on campus for educational purposes but shall adhere to our rules for not advocating his or her political position(s).

Conway Christian School community representatives are not allowed to assume roles as advocates or spokespersons for civil rights groups related to same sex marriage or the rights for sexual orientation contrary to our community beliefs. In any and all public forums, including social media and/or the internet we expect and require community representatives to uphold our Conway Christian School community beliefs and not to challenge or undermine any stated belief. If a representative makes a choice to express his or her position(s), which does not conflict with our stated beliefs, we expect them to do so in a manner of respect and love while making sure they are not expressing the view of Conway Christian School and our religious organization.

#### **NOTICE OF NONDISCRIMINATORY POLICY**

It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school administered programs.

Tuition may be paid with one of the following plans:

- Annual – due August 1st
- Semi-Annual – due August 1st and January 1st
- Monthly\* – over a 10-month period (August to May) or a 12-month period (June to May)

\*The monthly payment plan requires the use of an automated payment via bank draft or credit card.

An active account with FACTS Tuition Management is required for ALL enrolled families, regardless of which payment plan is selected.

1. If an annual or semi-annual account is paid late, any associated discounts will be reversed and the additional amount will be due.
2. If a student attends any portion of the month, the entire tuition charge for that month is due.
3. All fees and other charges not related to tuition are due as they are billed.
4. Accounts not paid by the end of the month in which they are due will be considered delinquent and shall be assessed a \$20.00 late fee for that month. 2nd Honor Roll	3.25-3.64

Students will be on a 9-week grading system.

### **Honor Graduates**

In order to graduate with Honors, the student should have achieved a minimum 3.7 cumulative grade point average.

### **Distinguished Honor Graduates**

In order to graduate as a Distinguished Honor Graduate, the student should have achieved a minimum 3.7 cumulative grade point average and successfully completed a minimum of 10 concurrent/advanced placement courses.

### **Qualifications for Valedictorian and Salutatorian**

Students must be enrolled at Conway Christian School for all final semesters (10th, 11th, 12th grades) and all earned grades must be from a pre-approved accredited institution. The student with the highest GPA is the Valedictorian and the student with the second highest GPA is the Salutatorian. Beginning with the Freshman class 2018-19, the GPA will be calculated for Valedictorian and Salutatorian using **only core classes**.

### **Concurrent College Classes**

Concurrent courses are given extra grade point weighting in order to distinguish students who take on the extra workload and academic rigor of college-level coursework. The grading scale is based on a 5.0. If a student chooses to drop a concurrent credit course, they will be required to remain in the course for the remainder of the semester, but will only receive high school credit along with the grade they earn. The drop dates will be assigned by the college in which the course is offered.

### **Advanced Placement (AP) Classes**

Advanced Placement (AP) courses are rigorous, college-level classes in a variety of subjects that give students an opportunity to gain the skills and experience colleges recognize. AP courses are taught by teachers who have earned training and certification at an approved advanced placement summer

institute. The student will be required to take the AP exam given at the end of the school year in order to be on a 5.0 grading scale for the course. Students may be able to earn college credit for the course as well depending on how well they do on that AP exam.

### **Advancement and Retention**

#### **Grades 7 – 8**

Any student making an “F” for the final average in the following subjects may be required to attend and pass summer school before being promoted to the next grade. These subjects are as follows: Math, Science, History, English, and Bible. Only two subjects can be repeated during summer school. Students failing three or more of the above subjects will not be promoted to the next grade.

#### **Grades 9 – 12**

Students are required to repeat any failed semester before receiving high school credit. Only two semester credits can be earned during summer school.

#### **Grades 10 – 12**

Students entering grades 10-12 must have the following credits earned:

- 10th 4 plus Bible
- 11th 9 plus Bible
- 12th 14 plus Bible

Students who do not earn the appropriate credits will not be promoted to the next grade level. Transfer students who are deficient in credits must meet with administration and determine a plan to correct the deficiency.

### **Homework**

Believing that homework is an integral part of the school program, each teacher is at liberty to give homework to aid each student in advancing his or her studies. Students are expected to successfully complete their assignments each day. The completion of the homework assignment is an important aspect of teaching the character development trait of responsibility. Homework is given for several reasons:

- For reinforcement. We believe that most students required adequate review to master material essential to their education process.
- For practice. Following classroom explanation, illustration, and review of new work, homework is given so that the material will be mastered.
- For remedial activity. As instruction progresses, various weak points in a student’s grasp of a subject become evident; homework following instruction is given to overcome such difficulties.
- For special projects. Book reports, compositions, special research assignments, and projects are some of the activities that are frequently the subject of homework attention.

### **Standardized Testing**

Conway Christian Upper School administers the following standardized Tests:

7th-11th.....ACT Aspire

10th/11th.....PSAT (Preliminary Scholastic Aptitude Test)

The PSAT is the National Merit Scholarship qualifying test.

Students in the 10th-12th grades may take the Scholastic Aptitude Test (SAT) and American College Test (ACT) or other tests pertinent to individual colleges or programs. Registration and cost for the SAT, ACT, and PSAT are the responsibility of the student. SAT and ACT college entrance tests are administered at area schools on designated Saturdays throughout the year.

### **Curriculum**

The upper school curriculum relies heavily on Christian publications and other publications that have been approved by Conway Christian School curriculum committees. The curriculum is under continual review, and when improved texts are available the school may adopt the newer, improved textbooks.

Beginning with the class of 2016, Conway Christian School will not accept courses taken by currently enrolled students from other institutions that are already offered and made available by Conway Christian School to that student unless approved by administration.

Students will not be allowed to drop courses without permission from the administration.

Bible is a vital part of the curriculum at Conway Christian School and will be treated as such. It is important for both academic and spiritual health. It will be taught and graded with the same conviction as all other classes.

### **Graduation Requirements**

In order to graduate from Conway Christian School, 24 credits including Bible are required.

- 4 Bible
- 4 Years of English
- 4 Social Studies
- 4 Math

### **Extracurricular Activities Eligibility**

Students participating in any extracurricular activity must meet the following eligibility requirements each semester:

#### **Junior High:**

- A student promoted from the sixth grade to the seventh grade automatically meets the academic requirements.

- A student promoted from the seventh grade to the eighth grade automatically meets the academic requirements.
- The second semester eighth grade student and the first semester ninth grade student meets the requirements for junior high by successfully passing four academic courses the previous semester, three of which shall be in the core curriculum areas (math, science, English, social studies).
- First semester ninth grade students must pass four academic classes to be eligible second semester of the ninth grade.
- Ninth grade students must meet high school academic eligibility by the end of the second semester in order to be eligible to participate in the fall of their tenth grade year.

### **Senior High:**

The requirement for senior high (10-12) eligibility shall include:

- Passing four academic courses; and a minimum GPA of 2.0, based on the previous semester.

The Administration must be made aware of prearranged medical appointments scheduled on game days. When medical appointments or illness cause the student to miss more than three periods, the student will be ineligible to participate in that day's athletic event, including practices.

### **NCAA Policies**

All students who plan or participate in athletics in college must register with the NCAA Initial-Eligibility Clearinghouse and NAIA Clearinghouse.

### **Division 1-16 Core courses**

Student athletics will need to present 16 core courses in the following breakdown:

- 4 years of English
- 3 years of Math (Algebra I or higher)
- 2 years of natural/physical science (one must be a lab science)
- 2 years of social studies
- 4 years of additional core courses (from any area listed above, or from foreign language, non-doctrinal religion or philosophy)

### **ATTENDANCE POLICIES**

It is important that a student be at school every day. The student's learning is impacted when absences occur. Circumstances occasionally prevent a student from attending school. If your child is absent, we request the following:

- A phone call and/or an e-mail from the parent to the school office by 10:00 a.m. on the date(s) of the absence
- Unless an email had been sent the day of the absence, when returning to school, all students should bring a note which includes the following:
  1. date of note
  2. date(s) of absence(s)
  3. reason for absence(s)
  4. parent's signature

The administration will need **ALL** of the above information.

It is important that a student be at school every day. Time missed from class can never be fully made up, and we want to emphasize the importance of regular attendance. Students missing more than 12 (twelve) days in a semester may be considered ineligible for credit in that class or grade, unless there are extenuating circumstances as determined by the administration.

All absences (unless it is a school sponsored event) count toward the maximum of 12 (twelve) per class each semester.

### **Guidelines for Make-up Work**

Make-up time available is roughly equal to time of absence.

Some work, such as class participation, cannot be made up and may affect grades to a degree. Other types of work, like quizzes or labs, also may not lend themselves to make-up work.

It is the student's responsibility, not the teacher's, to initiate the make-up work plan. If teacher specified assignments are not completed during the designated time frame, a zero will be given as the grade for the assignment.

Students should not expect the teacher to delay tests or allow extra time simply because the student missed a day of school just before a test. Consideration will be given to students missing several days in a row, or those obviously too ill to prepare for the test. It is the **student's responsibility** to check with the teacher to make up a test.

### **Excused Absence / Semester Exams**

Parents are highly encouraged to have students present for semester exams. Teachers should not be expected to finish curriculum early or make review sheets earlier than planned due to a student's absence during final exams. A student that must miss semester exam(s) and has followed the procedure required for absences to be excused, will be expected to take the exam for each class on the last day the student meets before the absence.

### **College Visitation**

Freshman through seniors are allowed to take days to visit colleges and universities. Students should provide a written request from their parent notifying the school of the day(s) and location of the college or university being visited. **All students visiting a college or university should return from the visit with a letter on the college or university letterhead stationery stating the date(s) the student visited.**

The following is the number of days per year a student will be excused for a college or university visit:  
Freshman: one, sophomores: two, juniors and seniors: three.

### **Outreach Ministry**

The outreach ministry is an important part of teaching young people to serve others in our community as Jesus would. Because it is at the heart of who we are as a Christian school, students must participate

in the outreach ministry as scheduled. A working detention will be assigned to any student that is absent during the outreach.

### **Unexcused Absences**

A student's first unexcused absence from school will result in a parent being contacted in writing and by phone. Unexcused absences may result in truancy class as assigned by Administration. Excessive unexcused absences may result in the student being referred to the truancy court.

### **Unexcused Absences from Individual Class**

Students who miss more than ten (10) minutes from an individual class period, will be considered absent from that class. Since every class is important, a student's first and second unexcused absence from an individual class will result in a parent communication and a detention hall assignment. A third unexcused absence from the same class will result in a parent meeting and suspension.

### **Unexcused Tardy to Class**

Conway Christian does not distinguish between an excused and unexcused tardy.

There is grace given for unavoidable occasions by allowing up to four tardies without discipline. Students who arrive after the tardy bell rings will be considered tardy; however, arriving more than 10 minutes after the tardy bell rings will be considered an absence. Likewise, students who leave class prior to attending for at least 40 minutes will be counted absent.

Four tardies to any one class in a 9-week period will be required to attend one detention hall. Each subsequent tardy in the same 9-week period will result in one day of detention hall. Any student receiving three detention halls for tardies will be suspended for one day.

\*The student may be sent home on any day, if the student is dressed in an inappropriate manner.

### **CYBER DAY POLICY**

Conway Christian School students will utilize cyber day to complete class work and assignments on snow or other cancelled school days. Students and teachers can take advantage of the 1:1 technology to maintain learning and instruction, even though they are not in the school building. Students will only be required to be online when researching, participating in the online community, during online lessons and discussion, or at pre arranged meeting times.

This will eliminate the need to make up the missed day of school!

The following schedule will be used to facilitate a cyber-school day for grades 7 - 12:

- By 9:00 a.m. - Teachers will post assignments, sending an email to students with directions for completing the assignments.
- By 10:00 a.m. - Students will log in to their teacher's learning management system (Google accounts, Canvas, or Edmodo, etc.) to have their daily attendance taken and to check their school email accounts for their assignments.
- 1 - 2 p.m. - Teachers will be available online to address student questions via the learning management system of choice. Students should review all assignments prior to this time, so they are prepared to ask any questions they have about the assignments. Students may communicate with teachers at other times as scheduled by or with their individual teachers.
- Each teacher will use Remind to message students that their lessons are live and where they can be accessed.
- All work for grades 7 - 12 needs to be submitted by 5:00 p.m.

Teachers and students must be signed in online by 10:00 a.m., and this serves as attendance and the student then goes to each class online to complete assignments as prepared by the teachers.

### **AFTER-SCHOOL ACTIVITY CANCELLATIONS**

In the event of an early dismissed, or if school is closed the entire day due to inclement weather or other emergency, it is the normal procedure to cancel all afternoon and evening events. There may occasionally be an exception to this rule.

## **GENERAL DISCIPLINE POLICY**

In order to provide suitable educational opportunities for all students in the classroom and to enhance the effective moral training of the student, Conway Christian School adheres to the following philosophies:

1. The responsibility and authority to discipline comes from God (Ephesians 6:1-4).
2. Christian love should be at the heart of all discipline. One side of love is correction and chastening, an essential part of the firmness of love. Firmness without love becomes harsh, whereas, love without firmness is a sentimentality (Proverbs 3:11-12).

The school seeks to instill the following characteristics in our students:

- Cheerful obedience to all in authority
- Responsibility in doing assigned or expected tasks
- Cooperation with others within and outside the classroom
- Courtesy and respect for others
- Cleanliness in person and property
- Truthfulness and honesty in work and life
- Respect for property that belongs to others
- Promptness in attendance and assignments
- Morally good conduct in respect to recreation, social relationships, and language

## **DISCIPLINARY POLICIES**

At the secondary campus, violations fall into various classifications. In every disciplinary action taken, the goal to which the student is directed is the indication of a submissive and obedient spirit toward all authority, particularly the authority of Jesus Christ (I Samuel 15:22-23). For specific offenses, there are specific corresponding disciplinary actions. Such a disciplinary system produces consistency while at the same time upholding the holy standards of God (Malachi 3:6; Hosea 12:6; I Peter 1:15-16).

For students who consistently violate classroom rules regarding common courtesy, adequate preparation, studious attitude, etc., the classroom teacher will contact the parent and possibly assign extra work to that student or send that student to the administrator for further disciplinary action. Additional conferences with parents plus possible placement on probation may result. Poor behavior in class will undoubtedly affect the individual's grade and his personal spiritual growth. We expect proper behavior for the safety and proper instruction of every student for whom we are responsible. The support of parents is essential.

### **Minor Offenses**

The following violations may result in referral to the principal for possible disciplinary action such as assigned Detention Hall or suspension if the offense has occurred multiple times.

- In the hallway without a pass
- Inappropriate classroom behavior
- Horseplay, running, excessive noise in the halls, classes, or chapel
- Throwing things in class, hall, cafeteria, etc

### **Detention Hall**

Student will be assigned detention in a supervised setting to do work as assigned by an administrator. When detention hall is assigned, parents will be notified in writing.

### **Out of School Suspension**

The offending student will be dismissed for the entire day of school from one to five days as assigned by the administrator. Parents will be notified by phone and letter. Student may not be allowed to make up tests or other assigned work missed during the duration of their suspension for a grade. No student may participate in extracurricular practices, games or performances while suspended.

### **Expulsion**

Any expelled student will be dismissed from the school system for the remainder of that current school year. Parents will be notified by phone and letter.

Students will be considered for re-enrollment, following a full semester of suspension, if a satisfactory student evaluation is received from another school system. This will be determined by recommendation of school administration and the school board.

### **Cell Phone Use Policy**

Students may not use their cell phone during the school day. In addition, they are not allowed on their person. All phones must be kept in the student's backpack, locker or car throughout the school day. If a student has a cell phone on their person during the school day it will be taken up and sent to the office for a probationary period. Habitual abuse of the policy can lead to students not being allowed to bring phones to school. Students may use cell phones before/after school while on campus or if authorized by the principal during the school day to contact a parent/guardian.

### **Threats of Violence With Intent to Harm**

Parents should understand that the school's first responsibility is the protection of all of its students. The school takes this responsibility very seriously. Therefore, if a student brings a weapon to school, or to a school function, or has a weapon on his/her person, the school may immediately suspend or expel the student. Parents are advised that the school may contact local police or appropriate authorities and will note in the student's permanent record that he/she was suspended or expelled for possession of a weapon on school premises or at a school function. Possession includes, but is not necessarily limited to, having a weapon in a locker, book bag, purse, or vehicle.

If the school determines that a threat of violence is credible and specifically directed toward particular students or staff, the administration will report to the student and/or staff member that a threat was made. The school will also report the threat to appropriate authorities. Students making such threats could result in suspension or expulsion. For purposes of this policy, credible means a reasonable belief or suspicion, determined at the sole discretion of school administration, that the threat was or might be genuine or that the student was or might be capable of carrying out the threat. The student's permanent record will reflect the expulsion for making a threat of violence.

### **Threats of Violence Without Intent to Harm**

In those circumstances in which the school determines that the threat is likely not credible, the school will have a parent meeting. These include all cases in which the student was "just joking." If circumstances warrant, the school may conduct further investigation. The school could recommend counseling, at family expense, from a Christian counselor or other professional agreeable to the school.

## **Prohibited Drugs and Alcohol Policy and Screening Test Procedures**

Conway Christian School is determined to have a drug and alcohol free student body and intends to strictly enforce this drug and alcohol policy. This may be accomplished through prevention through education and disciplinary action. Drug screening tests may be only one procedure employed to enforce this policy. The school may take disciplinary action, including expulsion, without the necessity of a drug test.

Any of the following actions constitutes a violation of this policy and may subject a student to disciplinary action as determined by the school in its sole discretion, including expulsion:

1. Using, selling, purchasing, transferring, possessing, manufacturing, processing, preparing or storing alcohol or prohibited drugs (excluding prescription or over-the-counter drugs in accordance with medical treatment) or any other substance representing the foregoing, or any drug paraphernalia, or assisting another to do so anytime or anyplace.
2. Switching, adulterating or attempting to tamper with any sample submitted for testing or otherwise interfering or attempting to interfere with the testing process.

When a school administrator has reasonable suspicion that a student has violated this policy, he or she may require a drug screening test to be administered by an appropriate testing agency and/or search of the individual(s) in question. Reasonable suspicion may result from the following or other circumstances giving rise to reasonable suspicion: (a) observed behavior; (b) receipt of credible reports by two or more reliable witnesses; (c) detection or odor by a school employee; or (d) discovery of a prohibited substance on the student, in the possession of the student, in or around school premises, school property, vehicles, or other areas in which the student has had access. In addition, the school reserves the right to conduct random drug screening tests at any time.

Any student subject to the application of this policy shall be afforded "reasonable, fair, and appropriate procedures." Should the drug testing result be positive, the parent will be responsible for paying for the testing fees.

Should the random testing results be negative, the school will pay for the testing fees. Should there be testing administered because of reasonable suspicion, the parent(s) and the school will share the cost of the testing fees if the tests are negative. Should the drug screening test results be positive in any category, the student will be subject to disciplinary action, including without limitation, expulsion.

The school will consider action initiated by the student or parent to voluntarily obtain help or assistance with problems associated with the use of alcohol or prohibited drugs before being implicated in conduct prohibited by this policy as a factor mitigating suspension or expulsion. However, the weight given to such factor shall be within the sole discretion of the school. Further, failure on the part of the student to adhere to a treatment and rehabilitation plan shall be grounds for disciplinary action, including without limitation, expulsion.

## **Search and Seizure**

Conway Christian School System respects the right of students to privacy and security against arbitrary invasion of their person or property. School officials do have the right, however, to search students and their property in the interest of the overall welfare of other students or when necessary to preserve

order and discipline in the school. School authorities may conduct searches of students backpacks, vehicles, lockers, cell phones and desks when there is reasonable suspicion to believe that stolen items or items prohibited by law or school policy are contained in the area to be searched. School officials will seize illegal contraband, weapons, drugs, alcohol, tobacco, vaping equipment or stolen property found in a search. The search of a student's person may be conducted only if school officials have reasonable suspicion to believe that a student's clothing, purse or other personal possessions contain stolen items or items prohibited by law or school policy.

Personal searches must be conducted by a school official of the same sex and with an adult witness of the same sex present. If law enforcement authorities are involved, complete cooperation will be given to them by school authorities in their investigation.

### **Student Incompatibility**

Conway Christian School is a ministry and will try to meet the needs of any student; however, it is not necessarily a school for every student. Continued, disruptive behavior, persistent disobedience to rules, and/or failure to exert an effort to achieve will result in specific student evaluations by each teacher. Based on these evaluations the principal may place the student on 3-week probation. Prior to this probation the principal will conference with the parents. If marked improvement by the student indicated on successive teacher evaluations is not noted, the student will be dismissed from the school system. A student who withdraws will receive purchased textbooks but will not receive any purchased testing materials.

### **Pregnancy**

Conway Christian School has a moral and legal responsibility to maintain suitable standards within the school and to assure the welfare and health of all students. Therefore, it is essential that all pregnant students report their pregnancy to the administration as soon as the pregnancy is confirmed by medical authority. As soon as the pregnancy is confirmed, the student and parents will meet with the President to discuss the situation and an appropriate plan for the student.

NOTE: Any other offense of a major nature will result in disciplinary action consistent with the above. Final disposition of any offense will be left to the principal.

### **Conflict Resolution (Matthew 18:15)**

If a student or parent is offended by the words or actions of a teacher or any person involved in the system, as Christians, they should go first to that person through whom the offense came and share this with that person.

If, after consulting together and praying for mutual understanding, there is no reconciliation, then they should agree to go together to counsel with the principal or person directly over him, but never before approaching the person committing the offense.

In like manner, if the matter is not resolved there, it may then, and only then, be taken to the President.

## **CAMPUS POLICIES**

### **School Days**

Students may enter the building at 7:30 a.m. The tardy bell will ring at 8:00 a.m. for grades 7 – 12. School will be dismissed at 3:15 p.m. Students must leave the campus following dismissal. Any student who does not have an adult to account for him by 3:40 p.m. will be taken to the office. There is a by-minute charge starting at 3:45 p.m. after a designated number of late pick-ups have occurred.

### **Articles Prohibited from School and School Functions**

Items such as cards, games, toys, media devices (including iPods, PSP's, cameras, or MP3 players, etc.), questionable literature, questionable music, skateboards, matches, lighters, and weapons are not permitted at school at any time.

### **Automobiles and Parking**

For the overall effective operation of the school it is important that the following regulations apply to the parking area:

- All vehicles driven to school by students must be registered with the office.
- Motorbikes and bicycles must be parked in the designated area.
- Students may not go to their vehicles during the course of the school day without permission from an administrator or office staff.
- When students leave school on either early dismissal or in the afternoon, they must go to their vehicles immediately upon entering the parking area, and leave.
- A 5 M.P.H. speed limit while on school property will be observed. See DISCIPLINE POLICIES, Major Offenses.
- Students must park in designated areas only. (Failure to follow guidelines will result in possible fines of \$5.00 or loss of driving privileges.) Driving a vehicle to school is a privilege and it must be understood that with such a privilege comes certain responsibilities.
- Students who abuse their driving privilege can be restricted from driving on campus at the discretion of the administration.

### **In-Class Presentations**

Students are expected to request and obtain approval by the regular classroom teacher prior to presenting any outside material aloud or making any announcement to the class.

### **Deliveries**

If you have deliveries to your student, bring them by the office and they will be delivered to the student.

### **Lunch**

Upper School students may bring their lunch or purchase snacks from the campus vending machines or from the catering company that provides lunches. Students will observe the closed campus policy, which means that a parent must physically come to the school and sign for a student to leave with them for lunch at the time the student is leaving and sign them back in at the office at the time of the student's return. Only family members, youth ministers and pastors are welcome to come on campus for lunch after first signing in at the office.

### **Lost and Found**

Items found on school grounds are brought to the school office. Please place your student's name on all items for easy identification. Unclaimed items will be given to charity at the end of each 9-week grading period.

### **Photographs**

Individual school pictures will be taken in the fall of the year. Parents will be notified in advance of the date, costs and options. Uniforms are to be worn on these days unless specified.

### **Office Telephone Use**

Telephone messages should be restricted to medical emergencies only. Personal matters between parents and students should be handled at home before the student leaves for school. Students will be allowed to call home only in an emergency.

### **Visitors**

Parents, pastors and youth pastors are welcome to visit the school. When visiting the school, please check in at the office first and receive a visitor's pass; do not go directly to any classroom, lunch room, or any other area of the school. Because of the potential for too many visitors on the same day, students who attend other schools in the area may not visit CCS on days when their school is closed, unless they make prior arrangements with administration.

### **Emergency Closing**

Should it become necessary to dismiss school due to inclement weather or other reasons, parents should watch local TV stations, check email, and text messages for announcements regarding Conway Christian School closings.

### **FIRST AID SERVICES**

Students who become ill or hurt at school are brought to the school nurse or office. If your child is in much discomfort you will be called and asked to come and take the child home. In the meantime, everything will be done for the child's comfort and welfare. In the case of small superficial cuts and abrasions, the injury will be gently cleaned and bandaged. Students are not permitted to help themselves to first aid materials.

No medication will be administered by the school without written instruction from a parent. All medications must be kept in the nurse's office. All medication, including non-prescription medication (e.g. Tylenol, aspirin), must be provided by the parent and kept in the nurse's office.

### **HEALTH SERVICES**

The school has the services of a school nurse for routine health screenings, hearing, vision, etc. The nurse is on call for emergencies and consultation at other times. **Emergency numbers must be on file at the school in order for school personnel to be able to contact a responsible person at all times.** Parents should immediately notify the school in writing any changes in their mailing address or phone numbers.

## Health Guidelines

If a student becomes ill, parents and or emergency contacts will be expected to pick up their child as soon as possible. When parents and/ or emergency contacts cannot be reached, school officials shall act in *loco parentis* and secure medical attention. Only emergency first aid may be provided at school. In the event of an accident or illness requiring emergency medical attention, every effort will be made to contact the parent or emergency contacts; however, 911 may be called to dispatch an ambulance to the school.

The school reserves the right to exclude any student whose physical condition interferes with the ability to learn or exposes other students to potential communicable disease in accordance with the Arkansas Department of Health.

## Students Must Be Kept from School

- if they have a temperature over 100 degrees (temperature should be normal for 24 hours without the aid of medication before returning to school).
- if they have had vomiting or diarrhea within 24 hours
- if they have an undiagnosed rash
- if they have a contagious cold with watery nose, glassy eyes, and persistent cough or sneeze
- if they have weeping or bleeding lesions that cannot be covered or effectively controlled with medication

## Communicable Diseases and Parasites

Students with communicable diseases or with parasites shall demonstrate respect for others by not attending school while they are contagious. In some instances, a letter from a health care provider may be required prior to the student being readmitted to the school.

The parents or legal guardians of students found to have live lice or nits will be asked to pick up their child at school. The parents or legal guardians will be given information concerning the eradication and control of head lice. Before students may be readmitted following an absence due to head lice, the school nurse or designated staff member shall examine the student to make sure they are free of any lice or nits.

The school may conduct screenings of students for head lice as needed. The screenings shall be conducted in a manner that respects the confidentiality of each student.

## Medications

Prior to the administration of any medication to any student, parental consent is required on the Medication Release Form. **Handwritten notes are not acceptable in any circumstance.** All necessary prescription and non-prescription medication must be administered by authorized school personnel. It is the parent's responsibility to bring any appropriate supply of medication to the office in the **original** pharmacy container. Medication is administered only by the authorized school personnel and is stored in a locked cabinet. Medication must be delivered in person by the parent to the school office; students should **never** carry medication with them, in their lunch, or keep it in their locker without approval from the school nurse and/or principal.

When a medication is no longer needed or if they have not been used for a period of time, the parents will be notified to pick up the medication in the office. The school shall not keep any outdated medications or any medications past the end of the school year.

Parents of children with allergies must submit a list of substances which trigger allergic reactions and a description of the type of reaction usually experienced. The list may be shared with teachers, assistants, and volunteers as needed to prevent exposure.

Children subject to anaphylactic reactions due to bee stings or other allergies should bring emergency medication to be kept at school with a physician's instructions for use.

### **Immunizations**

State law requires every student in the school setting to be immunized against certain diseases. A record from the health department or the student's physician documenting these required and dates given must be kept on file in the nurse's office. It is the parent's responsibility to provide these documents to the school. Religious, medical, and philosophical exemptions can be obtained through the Arkansas Department of Health. However, proof of exemption letters must be obtained each year and provided to the school for their records.

### **Screenings**

The School will administer screenings of its students. The intent of the screenings shall be to detect defects in hearing, vision, or other elements of health that would adversely affect the student's ability to achieve his/ her full potential.

## **TECHNOLOGY**

### **Student Acceptable Use Policy**

Conway Christian School recognizes that access to technology in school gives students greater opportunities to learn, engage, communicate, and develop skills that will prepare them for work, life, and citizenship. We are committed to helping students develop 21st Century technology and communication skills. To that end, we provide access to technologies for student and staff use.

This Acceptable Use Policy outlines the guidelines and behaviors that students are expected to follow when using technologies in school or when using their iPad computer or other electronic device on the Conway Christian campus.

Students who repeatedly (three or more times in a quarter) fail to bring their device to school or fail to maintain a fully charged battery may lose the privilege of their use for a time to be determined by the school's administration.

### **Hot Spots, 3G/4G and Wired**

### **Sound, Music and Photos**

On school-owned iPads and devices students may not download music from iTunes or any other music sharing site unless directed by or with the permission of a teacher. On all school-owned devices, sound must be muted at all times unless permission is obtained from the teacher for instructional purposes. Students are not allowed to save non-educational photos on school devices.

### **Gaming**

Students may only use appropriate gaming apps during discretionary time and with approval. Discretionary time would not include classroom instructional time, chapel and/or other events or environments where use of devices would not be appropriate. School administration faculty and staff always reserve the right to ask students to close their gaming app or to do random checks during non-discretionary time.

### **Saving Work**

It is the student's responsibility to ensure that work is not lost due to equipment failure, failure to back-up files or deletion. Device malfunctions are not an acceptable excuse for not submitting work. Students should back up all work for their own protection.

### **Network Connectivity**

Conway Christian School makes no guarantee that the school wireless network will be up and running 100% of the time.

### **Downloading Apps**

Teachers may require students to download apps or electronic books that have application to their specific course content.

If a user believes a device being used might be infected with a virus, they should alert personnel in the school's IT department. A device user should not attempt to remove the virus using any means or methods.

## **Plagiarism**

Users should not use content without appropriate citation. This includes usage of words and from the Internet or elsewhere. A misrepresentation of appropriate credit to the content's creator is considered plagiarism. All research should be appropriately cited. (See Cheating and Plagiarism Policy)

## **Library**

Parents and students may search for books on the Online Public Access Catalog by going to <http://conwaychristianschool.booksys.net/opac/ccs/index.html>. OPAC allows access to all books and materials in the high school and elementary libraries. The online system will also keep you current on library activities throughout the year.

Students will receive a library card at the beginning of the school year. This card will remain in the library for students to use whenever needed. If the student loses the library card, a \$1.00 charge will be given for a replacement card.

ALL books must be checked in/out using the library automation system. If a librarian is not present, students must follow instructions given at computer check station.

Students may check out a book for two weeks (10 school days). This two- week period includes only the days school is in session. A grace period of two days is also extended before fines are calculated. Overdue book notices are sent home monthly. This overdue notice will state the student's name, title, barcode number, cost and due date of book. If the student has lost the book, the slip can be returned with payment and a new book will be purchased in its place.

Students may check out two books at one time. If additional books are needed for research purposes, an override can be made by the librarian or assistant for three additional books. Fines for overdue books will be \$.25 each day. These fines are automatically calculated on the computer system. Students will not be allowed to check out another book if fines exceed \$5.00 until the book is returned and fines are paid. Students will be responsible for payment of lost or damaged books.

Each year inventory is taken at the CCS libraries during the month of May. All library materials are required to be returned and fines settled before inventory. On the first day of inventory, the names of students with outstanding fines will be turned over to the business office for collection. An additional \$5.00 fee will be billed to students whose names have been turned into the business office.

The library makes every effort to communicate with students and parents about materials. However, we cannot be held responsible for students who fail to acknowledge this communication.
