

ParentsWeb

Our new **RenWeb School Management Software** gives you, the busy parent, an opportunity to get more involved in your child's academic progress and future success – all via the Internet!

RenWeb's ParentsWeb is a private and secure parents' portal that will allow parents to view academic information specific to their children, while protecting their children's information from others. You can see your child's grades, attendance, homework and conduct, as well as other useful school information. You can also communicate with teachers and other school staff online whenever necessary. All you need is an Internet-capable computer.

Here's how to access our easy-to-use **RenWeb ParentsWeb**:

Go to Internet Explorer and enter the address www.renweb.com or simply go to the "Resources" page of the CCS website and click the RenWeb icon: <http://www.conwaychristianschool.org/other-resources/>

- Click **Logins** in the navigation menu; then click **ParentsWeb Login**.
- Log in as follows:
 1. If you are asked for a District Code, type "**con-ar**" for your District Code.
 2. Click the **Create New ParentsWeb Account** if you have not logged in to ParentsWeb before. *If you have, skip to Step 5.*
 3. Enter your email address that you provided to the school.
 4. Click the **Create New ParentsWeb Account** button. You will receive an email containing your password within 3 minutes (to the email address you entered, which must be the same email address that you provided to the school).
 5. Type your User Name (the email address you gave the school) and your Password.
 6. Click the **Login** button.

You should now be logged in to the School Information home page of ParentsWeb. To learn more about ParentsWeb, click the **Tour the New ParentsWeb** button to take a 6-minute video tour.

Note: If you are on a dial-up connection and experience long delays in loading the web pages, please select the **Dial-up** option on the Parents login page before clicking the **Parent Login** button. This will take you to a dial-up version of ParentsWeb that contains the same information but in a dial-up-friendly environment that requires fewer graphics.

Please call or email Lynne Perritt (lynne.perritt@conwaychristianschool.org) if you have any problems or questions.

We look forward to your participation. Together we can continue to improve our children's academic development as well as communication between our school and your home.
