OUR MISSION

“Conway Christian School exists to partner with Christian families by offering a biblically-directed, college preparatory education focused on equipping students to serve and impact the world for Jesus Christ.”

Conway Christian School was founded in 1992 to provide an educational experience for children and young people that are grounded in biblical principles. Our goal is to produce spiritual and academic growth in our students by providing quality opportunities in terms of learning and development of character.

The faculty and staff of Conway Christian School are committed Christians and are trained in their areas of teaching. We believe the teacher serves as a role model and has a tremendous impact on the lives of our students.

The students represent varied backgrounds of religious interests and academic pursuits. Conway Christian School offers the concept of Christian education to all who choose it.

We know parents are necessary in the educational process and we encourage you to be active in your student’s experiences. Cooperation between the school and parents is essential to success.

Conway Christian has five core values that support its mission statement. The core values of **faith, wisdom, integrity, growth, and love** define who we are as a school.

Faith is based on our belief in God the Father, Jesus the Son, and the Holy Spirit. All three play integral roles in our beliefs as a community of Christ followers.

Wisdom comes from our relationship with God not from understanding the knowledge of the world. As we become wise we are able to discern worldly knowledge in a Godly manner.

Integrity is a by-product of our faith and wisdom. As Christians, we should live with integrity.

Growth in ourselves is essential to our personal success. Conway Christian is committed to raising up a generation of learners who have a growth mindset, dedicated to a life of bettering themselves.

Love permeates all we do in life. We should love others as God loves us. Showing the fruits of the spirit in all cases offers us the best opportunity to show the love of Jesus Christ to those around us.

Please contact the administrative offices at 501-336-9067 if you have any questions. We invite your inquiry to the upper school at 501-336-9772.

Any such unauthorized use of the school's name or identifying logo, if committed by a student may subject the student to disciplinary action, up to and including expulsion.

PHILOSOPHY OF EDUCATION

The educational philosophy of Conway Christian School is based on a God-centered view that all truth is God's truth. The Bible is the inspired and only infallible, authoritative Word of God which is the foundation for all truth. God created all things and sustains all things. Therefore, the universe and man are dynamically related to God and have the purpose of glorifying Him. Because man is a sinner by nature and choice, he cannot, however, glorify or know God. He can do this only by choosing God's free gift of salvation through His Son, Jesus Christ, thereby committing his life to the Lordship of Jesus Christ.

The entire process of education is seen as a means of bringing the student into a relationship with God and developing him spiritually, intellectually, emotionally, physically, and socially. The parent is primarily responsible for this education and the school should function as an extension of the home to aid the parents in biblical, Christian education.

DOCTRINAL STATEMENT

The Scriptures – We believe the Bible is the divinely inspired, inerrant, infallible Word of God and is the foundation of all knowledge.

God – We believe there is only one living and true God who is the Creator, Redeemer, Preserver, and Ruler of the universe. We believe God reveals Himself to us as Father, Son, and Holy Spirit.

God the Father – We believe that God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace.

God the Son – We believe that Christ is the eternal Son of God. In His incarnation, He was born of a virgin, lived a sinless life, died a sacrificial death, rose victorious over the grave, and is coming again to judge the world and to consummate His redemptive mission.

God the Holy Spirit – We believe the Holy Spirit is the Spirit of God. He inspired the writing of God's Word, exalts Christ, and now works to convict men of sin, righteousness, and judgment. He now dwells in all believers, thus empowering them for service.

Man – We believe that man was created by God in His own image but by his free choice he sinned against God. All men are now sinners by birth and by choice. Only the grace of God can bring man into fellowship with God through the salvation found in Jesus Christ.

Salvation – We believe that salvation involves the redemption of the whole man and is offered freely to all who come to Christ through repentance and faith in Him.

God's Purpose of Grace – We believe that election is the gracious purpose of God according to which He regenerates, sanctifies, and glorifies sinners. We also believe that all true believers endure to the end and will never fall away from the state of grace.

The Church – We believe that a church is a local body of believers who are associated by covenant in the faith and fellowship of the gospel. The church is an autonomous body operating under the Lordship of Jesus Christ. We believe that all Christians should be involved in a local church according to Hebrews 10:25.

Last Things – We believe that God, in His own time and His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth, the dead will be raised, and Christ will judge all men in righteousness. The unrighteous will be sent to a literal hell and the righteous will dwell forever in a literal heaven.

CONWAY CHRISTIAN COMMUNITY STATEMENT

Christian Community

Conway Christian School is a community of Christian believers whose purpose is to educate students in the biblical principles that the traditional Christian Church has been commissioned from Jesus Christ (Matt 28:18-20). A Christian believer is defined as an individual that has been convicted of their sin by the Holy Spirit, repented of their sin to God, and put their faith in Jesus Christ as their personal Lord and Savior. Conway Christian School practices the fundamentals of the faith by following the sixty-six books of the Bible that the historical Christian Church has affirmed to be God's Holy Scripture. Our focus is to bring together the Conway Christian School community of Christian believers and diligently work in harmony consisting of the Board of Trustees, administration, faculty, staff, and parents to "train up a child in the way he should go" (Proverbs 22:6), and "I have no greater joy than to hear my children walk in truth" (3 John 1:4).

Christian Community Explanation

The goal of campus life at Conway Christian School is to live, work, serve, and worship together as an educational community centered on the Lord Jesus Christ. Our mission as an academic community is not merely the transmission of information it is "To partner with Christian families in a biblically-directed, college preparatory education focused on equipping students to serve and impact the world for Jesus Christ". It is the development of the whole person who will build the church and benefit society "For Christ and His Kingdom." Along with the privileges and blessings of home and school partnership, the Conway Christian School community takes these responsibilities seriously.

"All scripture is God-breathed and is useful for teaching, rebuking, correcting, and training in righteousness." - 2 Timothy 3:16

The biblical foundation of the Christian community is expressed in Jesus' two great commandments: "Love the Lord your God with all your heart and with all your soul and with all your mind," and "Love your neighbor as yourself" (Matthew 22 37-40). Jesus himself perfectly demonstrated the pattern: love for God, acted out in love for others, in obedience to God's word. Acknowledging our dependence on the power and grace of God, the representatives of Conway Christian School which includes our board of trustees, employees, and registered volunteers, as well as the participants which include all our students, parents of students, unregistered volunteers, and invited guests humble covenant to live according to this ideal and also expressed in the following guidelines:

Required by the law Conway Christian School beliefs include all conduct required by the law of the land. All conduct prohibited by the law is outside the boundaries of Conway Christian School's beliefs. Examples of this category would be the illegal use of alcohol (specifically consumption by minors or situations where parents knowingly allow minors to drink in their presence), drugs, or other substances.

Proscribed by the Bible While certain conduct may or may not be declared by the state to be unlawful, the Conway Christian School representative and the Conway Christian School participant are to avoid conduct proscribed by the historical Christian Church as unbiblical. (Note: while some practices proscribed by the historical Christian Church may actually be protected by the law as individual rights under the law, that conduct might still violate the biblical command for conduct acceptable for a follower of Christ) A contemporaneous example is the declaration by the US Supreme court that homosexual marriage must be included in the definition of marriage that can be officially sanctioned by the state. Such declaration by the court does not change the historically Christian or Conway Christian School view that the rite of marriage for Christians is between a man and woman.)

Community Conduct-Religious Organization

Laws governing commerce ban discrimination on the basis of race, color, sex, nationality, age, and disability generally apply to religious organizations, with the noteworthy exception that religious organizations like Conway Christian School and our community are allowed to make decisions on the basis of our religious beliefs. Conway Christian admits students of any race, color, national or ethnic origin to all the privileges and activities generally accorded to all students at the school.

As a private educational institution, Conway Christian School admits and retains students based on the academic and behavioral performance of each student. As a religious organization Conway Christian

School will exercise its position as a religious organization in the admissions, enrollment, or any other category of our Christian community relationship if we believe that doing so will cause confusion, conflict or potentially compromise the community's mission to provide a historically Christian, Jesus Christ focused education. Any decision not to partner based on our beliefs will be based on the historical doctrines of the Church of Jesus Christ, limited and set forth in the sixty-six books of the Bible, which we view to be the true word of God, and the only word of God, infallible in its truth and practice. All final decisions will be made by the Conway Christian School's President/CEO with review, if necessary, by the Board of Trustees. The policy will apply to all Conway Christian community affairs, including contracts, activities and/or events, facilities, and publications.

Roles, Standards, and Expectations for Representatives

In response to God's calling on their lives, Conway Christian School representatives work both individually and together to exercise and express our Christian beliefs. In so doing, they advance the school's mission.

Conway Christian School representatives shall be expected to (1) model our Christian beliefs anywhere, anytime including non-school hours (2) conduct all of their duties as a service to God and, (3) participate in distinctly Christian activities.

1. **Christian Beliefs** – Each representative shall affirm agreement with the school's Doctrinal Statement, Mission Statement, Philosophy of Education, Core Values, Educational Objectives, and any other official policies and procedures as outlined and approved by the Board of Trustees. In addition, representatives shall not subscribe to or promote any religious beliefs inconsistent with these beliefs.
1. **Christian Conduct** – Representatives shall at all times (both inside and outside of school hours) strive to live in accordance with Biblical standards.
2. **Distinctly Christian Activities** – Each representative shall be ready, willing, and capable to lead or contribute to distinctly Christian ministry activities such as Bible studies, worship, or prayer services.

Roles and Expectations for Community Participants

Students and Parents – Conway Christian School requires that at least one parent or legal guardian of each student be a devoted follower of Jesus Christ as evidenced by a faith walk, testimony, and active participation in a local historical Christian church. They must also adhere to the school's Doctrinal Statement. In furtherance of its mission, the school provides educational instruction, programs, facilities, and other activities for students. Each community representative is required to abide by this Community Covenant and be fully supportive of the school's mission.

Registered Volunteers – A volunteer serving in a Conway Christian School ministry is not considered to be a "representative" of the school's Christian community unless they are serving in leadership positions on the PTF and/or Booster Club. However, all volunteers registered or non-registered (i.e. concession workers, homeroom moms) are required to **acknowledge** that they understand and agree to support

our school mission, policies, and values through action and communication. The school reserves the right to give preference for such service to alumni and volunteers who share our Christian beliefs.

Standards for Community Activities and Facility Use – Conway Christian School engages in activities and uses its facilities solely to exercise, express, and further our Christian beliefs and mission. At times, pending President/CEO and/or Board of Trustee approval, we may allow the use of our facility by groups that are not directly associated with **Conway** Christian School. We reserve the right to prohibit any activity or use of our facilities by another group or person if we determine any of the following:

1. The person or group undermines our ability to accomplish our Mission.
2. The person or group expresses a message contrary to our Christian beliefs.
3. The person or group displays values or conduct contrary to our Christian beliefs.

Implementing Community Standards

Our Decision-Making Process Includes a Spiritual Element: The responsibility of ensuring that each proposed activity, which directly or indirectly affects the reputation of our school, and any potential usage of Conway Christian School's facilities comply with the standards set forth in this document rests with the President/CEO, the Chairman of the Board of Trustees, and the representatives they delegate for such decisions. These leaders are expected to consider each situation with reliance upon the guidance that God provides through His Word and His Spirit. School leadership may disallow any activity or facility usage on the grounds that the individual or group possesses views and beliefs which are perceived to be contrary to those of Conway Christian School.

Noncompliance: The President/CEO and the Chairman of The Board of Trustees will be responsible for determining cases of noncompliance toward the beliefs and/or expression of the school's Christian standards. Noncompliance will be defined by anything or anyone that embraces beliefs contrary to those of Conway Christian School and/or attempts to limit the expression of those Christian beliefs and standards.

Additional Authority: Based on the Christian beliefs and standards of Conway Christian School, the President/CEO or Chairman of the Board of Trustees may establish additional standards for proposed activities and facility usage that will both guard and express the beliefs of the school.

Limits: Conway Christian School may change this document at any time. This document does not guarantee employment for anyone, and it does not affect the nature of the school-employee relationship which is solely at-will.

Beliefs Embraced by and Refused by the Historical Christian Church

The doctrinal beliefs of the Conway Christian School community are the same as those of the historical Christian church identified in the sixty-six books of the Bible. The new age faith systems identifying themselves as Christian, such as the Jesus Christ Church of Latter Day Saints (Mormons) and the Jehovah's Witness are considered by Conway Christian School to be outside our circle of belief and not embraced by the historical Christian church.

It's the belief of Conway Christian School that admission of a student of a parent who believes in such a faith tradition outside the scope of the historical Christian church would create confusion in the classroom, would be counterproductive to our community, as well as to the applying family and potentially prevent us from fulfilling our mission. Therefore, admission will be denied when Conway Christian School determines that the faith doctrine of an applicant does not align with the doctrine and mission of the Conway Christian School community.

Human Sexuality and Marriage

We profoundly believe that God created each human to pursue intimacy first with Him and that He then calls some to pursue marriage, and others to a life of singleness. We also believe God created people in His image and chose to give humans a partner to reproduce and inhabit the earth. Thus God created Adam and Eve, as referred to in the Holy Bible. By creating two distinct genders, male and female, and that the intended biological gender is determined at the time of birth God then created a divine institution of marriage, a covenant relationship between one man and one woman. He calls for all husbands and all wives to have sexual fidelity within the covenant. We believe sexual relations outside of marriage, regardless of sexual orientation, are inconsistent with God's truth and certainly undermine the way God created us and called us to live.

Our position regarding human sexuality and marriage applies to all policies in the Conway Christian School community. Any events involving members of the community or events held in a Conway Christian facility pertaining to marriage (weddings, ceremonies, receptions, and/or anniversaries) shall involve only marriage consistent with our historical Christian beliefs regarding marriage. We require all community representatives and participants to live in accordance with our community beliefs regarding human sexuality and marriage.

Position on Gender

CCS believes God creates people in His image as two distinct genders, male and female, and that the intended gender of an individual is determined by such individual's biological sex at birth. Since the word of God, in the Holy Bible, describes humans as distinctly created to be man and woman, CCS will treat all students accordingly. Students born as males will be classified as boys, and students born female will be classified as girls. Furthermore:

1. Students will be required to use bathrooms aligned to the student's biological sex at birth;
2. Students will be addressed by pronouns aligned to the student's biological sex at birth;
3. When traveling on overnight trips, students will share accommodations with students of the same biological sex at birth;
4. Students will be required to participate in athletics that align with the student's biological sex at birth; and
5. School dress code policies for male and female students will be enforced according to the student's biological sex at birth.

In conclusion, any stance that does not align with the policy above regarding sexual identification and orientation is considered to be in direct opposition to our definition of a partnership between the home and school.

Politics and Public Communication

In many situations, advocacy for certain political positions may be construed by others in our community and outside our community to be at odds with our religious beliefs or those in our community. For this reason, Conway Christian School does not offer nor do we acknowledge or allow community members, or non-community members, to publicly advocate for such political positions while on campus, at school events, or activities. An elected official shall be allowed to speak to a group of Conway Christian School students while on campus for educational purposes but shall adhere to our rules for not advocating his or her political position(s).

Conway Christian School community representatives are not allowed to assume roles as advocates or spokespersons for civil rights groups related to same-sex marriage or the rights for sexual orientation contrary to our community beliefs. In any and all public forums, including social media and/or the internet we expect and require community representatives to uphold our Conway Christian School community beliefs and not to challenge or undermine any stated belief. If a representative makes a choice to express his or her position(s), which does not conflict with our stated beliefs, we expect them to do so in a manner of respect and love while making sure they are not expressing the view of Conway Christian School and our religious organization.

Under the Internal Revenue Code, all section 501(c)(3) organizations are absolutely prohibited from directly or indirectly participating in or intervening in, any political campaign on behalf of (or in opposition to) any candidate for elective public office. Conway Christian School is a 501(c)(3) organization.

ADMISSION PROCEDURES

The Conway Christian School application process is designed to provide a thorough but personal experience. The following steps help us to get to know each applicant personally and give applicants a clear understanding of the educational opportunities and expectations of Conway Christian School.

Begin by creating an account, then log into your account and "Create a New Student Application" for your child. You will then have the ability to log in and out of your account whenever you desire. When finished with your application(s), simply pay the \$75 fee and submit. We will not receive your submission unless the fee has been paid online with a valid credit or debit card.

4. Academic Records and Recommendations

We require at least two years of previous report cards and standardized tests for all students in 2nd-12th grade, as well as a principal's recommendation from your most recent school. We have the right to request additional testing when we feel it's necessary.

Once the above items have been completed and the student's file is complete, we will proceed with the review process. All students in 5th-12th grade, along with their parents/guardians, are required to meet with the appropriate principal.

6. The Decision

Decisions are made by the Admissions Committee. Once accepted there will be an evaluative term beginning on the student's first day of class extending one calendar year. This pertains to all new students. If for any reason, during this time, the school feels the parent/student partnership isn't in the best interest of all parties' re-enrollment may be denied.

7. The Eagle Way

Once admission is finalized, new families are required to attend an "Eagle Way" event. The time is set up to further explain the school's core values, and expectations and to establish a partnership as we desire to maximize our time together.  - c. Monthly (10 Months): ten equal payments August – May (1st or 15th of each month)
 - d. Monthly (12 Months): twelve equal payments June – May (1st or 15th of each month)
2. Payment Plans are for tuition charges only. All other incidental charges and fees must be paid as billed. It is required that CCS families maintain bank draft or debit/credit card information on file for incidental charges as they will be set to automatically draft on the due date.
 3. Enrollment Fees are due at the time of enrollment and yearly thereafter no later than February 28th for each upcoming school year. All other incidental charges and fees unrelated to tuition are due as they are invoiced.
 4. Accounts not paid by the end of the month in which they are due will be considered delinquent and shall be assessed a late fee for that month. Returned checks and bank drafts will also be charged a \$30.00 returned check fee by FACTS Tuition Management.
 5. Prompt and regular review of financial records and school communications is the family's responsibility to ensure payments clear as scheduled. Families are expected to report suspected errors as soon as possible.
 6. All accounts with past due charges exceeding 30 days without an approved payment plan are considered delinquent and are subject to the following:
 - a. Family accounts with charges more than 30 days past due will incur a \$20 late fee
 - b. Family accounts with charges more than 60 days past due will cause a hold on student records, including report cards, transcripts, and diplomas, as applicable. It will also prevent student participation in extra-curricular activities, including athletics, fine arts, field trips, etc.
 - c. Family accounts with charges more than 90 days past due will be reviewed by administration to assess the student's continued enrollment eligibility.
 - d. Students whose parents/guardians have an outstanding obligation to Conway Christian School from a previous school year will not be permitted to start school the next year until that obligation is paid in full or a written payment plan has been approved by the Business Office and is in effect when school starts.
 7. Conway Christian School is required to follow the AAA's (Arkansas Activities Association) rules regarding past-due balances as they relate to athletic participation. AAA guidelines state that "schools shall remove any student from athletic eligibility whose accounts with the school are 60 days overdue." Payment plans allow past due accounts to be in good standing with the school and attendance is not jeopardized, but payment plans have no impact when applying to AAA rules regarding athletic participation.
 8. A payment plan for past due accounts must be approved by the Conway Christian School Business Office, must be in writing, and must be signed by the parent/guardian. A payment plan must include a detailed, defined schedule of payments. A returned payment will void any payment plans and the account will be considered delinquent.
 9. Conway Christian School offers a limited tuition assistance program to all qualified students.

Financial Assistance can only be applied to tuition; all other fees are the responsibility of the applicant. The Financial Assistance application may be completed online through the FACTS Grant & Aid Assessment Service link on the CCS website. Applications will be reviewed by FACTS, an independent organization. FACTS will analyze your application and make a recommendation to the CCS Financial Assistance Committee. The deadline for filing an application with FACTS is April 1st for all returning students. Financial Assistance grants will be awarded by June 1st. Hardships may be considered on a case-by-case basis. New students may apply as they enroll if funds are available.

10. If you have a financial emergency and are temporarily unable to pay, please call the Business Office before you withdraw or get too far behind. You may qualify for financial assistance, if available.
11. Should a student not be allowed to return during the year for failing grades, disciplinary or partnering reasons then the tuition is to be prorated based on the dismissal date and any payments made in advance may be refunded after all school items have been returned and deemed in good condition.
12. Families will be billed for damaged or missing school property including but not limited to: books, athletic uniforms, Chromebooks, Chromebook chargers, etc.
13. In the event Conway Christian Schools determines it must modify or change its method of delivery of services due to conditions outside of its control including weather conditions, health, safety, operational or financial, the school may notify families of such modification or change and the tuition plan option as selected by the family will stay in full effect for the school year.

Enrollment / Application Fee

All enrollment/application fees are NON-REFUNDABLE & NON-TRANSFERABLE unless the school is unable to accept the student. Should the parents or legal guardians be required by their employer to transfer from the Faulkner County area, the school does agree to refund the enrollment fee only if the applicable school year has not started.

Perpetual Re-Enrollment

Conway Christian School provides perpetual re-enrollment for all students. Once enrolled, each student's enrollment will be reserved for future school years unless parents/guardians notify Conway Christian of their intent to withdraw. Each year, families will be notified regarding the annual re-enrollment fee and the new tuition schedule. It is the family's responsibility to review their school communications and contact the admissions office prior stated deadline if their re-enrollment plans have changed. Payment of the re-enrollment fee is the only requirement to reserve each student's enrollment for the next school year.

Testing Fee, if needed

Testing fees ARE NOT REFUNDABLE after the student begins the testing.

ACADEMIC POLICIES

Intermediate & Upper School Grading System

- B 89-80
- C 79-70
- D 69-60
- F 59 and below

Honor Graduates

In order to graduate with Honors, the student should have achieved a minimum 3.7 cumulative grade point average.

Distinguished Honor Graduates

For the class of 2025, in order to graduate as a Distinguished Honor Graduate, the student should have achieved a minimum 3.7 cumulative grade point average and successfully completed a minimum of 9 concurrent/advanced placement courses.

Qualifications for Valedictorian and Salutatorian

Students must be enrolled in Conway Christian School for all final semesters (10th, 11th, 12th grades) and all earned grades must be from a pre-approved accredited institution. The student with the highest GPA is the Valedictorian and the student with the second highest GPA is the Salutatorian. The GPA will be calculated for Valedictorian and Salutatorian using **only core classes (4 Bible, 4 English, 3 Science, 4 Social Studies, & 4 Math: in case of a tie with GPA, highest grade average will be chosen).**

Concurrent College Classes

Concurrent courses are given extra grade point weighting in order to distinguish students who take on the extra workload and academic rigor of college-level coursework. The grading scale is based on a 5.0. If a student chooses to drop a concurrent credit course, they will be required to remain in the course for the remainder of the semester, but will only receive high school credit along with the grade they earn. The drop dates will be assigned by the college in which the course is offered.

Advanced Placement (AP) Classes

Advanced Placement (AP) courses are rigorous, college-level classes in a variety of subjects that give students an opportunity to gain the skills and experience colleges recognize. AP courses are taught by teachers who have earned training and certification at an approved advanced placement summer institute. The student will be required to take the AP exam given at the end of the school year in order to be on a 5.0 grading scale for the course. Students may be able to earn college credit for the course as well depending on how well they do on that AP exam.

Advancement and Retention

Grades 6 – 8

Any student making an “F” for the final average in the following subjects may be required to attend and pass summer school before being promoted to the next grade. These subjects are as follows: Math, Science, History, English, and Bible. Only two subjects can be repeated during summer school. Students failing three or more of the above subjects will not be promoted to the next grade.

Grades 9 – 12

Students are required to repeat any failed semester before receiving high school credit. Only two semester credits can be earned during summer school. CCS will only allow transfer summer school credits from accredited Arkansas High Schools that are pre-approved by the administration.

Grades 10 – 12

Students entering grades 10-12 must have the following credits earned:

10th	4 plus Bible
11th	9 plus Bible
12th	14 plus Bible

Students who do not earn the appropriate credits will not be promoted to the next grade level. Transfer students who are deficient in credits must meet with the administration and determine a plan to correct the deficiency.

Homework

Believing that homework is an integral part of the school program, each teacher is at liberty to give homework to aid each student in advancing his or her studies. Students are expected to successfully complete their assignments each day. The completion of the homework assignment is an important aspect of teaching the character development trait of responsibility. Homework is given for several reasons:

- For reinforcement. We believe that most students require adequate review to master material essential to their education process.
- For practice. Following classroom explanation, illustration, and review of new work, homework is given so that the material will be mastered.
- For remedial activity. As instruction progresses, various weak points in a student’s grasp of a subject become evident; homework following instruction is given to overcome such difficulties.
- For special projects. Book reports, compositions, special research assignments, and projects are some of the activities that are frequently the subject of homework attention.

Grading Codes for FACTS

The following codes will be used when needed in FACTS due to missing or made-up work and assessments:

- P - Pending: Work/Assessment was missing but has been completed and turned in but is still to be graded and entered. This grade will not be included in the average until it is graded. Thus it will be figured as a 0/0.
- M - Missing: Work/Assessment is STILL MISSING and has not been turned in. This grade will be included in the average and recorded as a ZERO until it is completed. Thus it will be figured as 0%.
- D - Dropped: Usually a class assignment that CANNOT be made up. This is not expected to be completed and will not be calculated in the final grade.

Standardized Testing

Conway Christian Upper School administers the following standardized tests:

6th-10th..... Iowa Standardized Test/CogAT

9th-12th..... ACT District Test

10th/11th.... PSAT (Preliminary Scholastic Aptitude Test)

The PSAT is the National Merit Scholarship qualifying test.

Students in the 10th-12th grades may take the Scholastic Aptitude Test (SAT) and American College Test (ACT) or other tests pertinent to individual colleges or programs. Registration and cost for the SAT, ACT, and PSAT are the responsibility of the student. SAT and ACT college entrance tests are administered at area schools on designated Saturdays throughout the year.

Semester Exam - Exemption Policy

The Semester Exam Exemption Policy is for Juniors and Seniors only for the 2023-2024 school year.

Juniors and Seniors may earn exemptions from both the Fall and Spring Semester finals if they adhere to the following criteria:

1. An "A" grade average for the entire semester for that particular class.
2. No MORE than five (5) total absences for the entire semester for the class in question. This includes both excused and unexcused absences but does not count absences due to school business.
3. No more than 3 tardies for either quarter for that class.
4. No Detention Hall or Saturday School for the semester.
5. No Suspensions for the entire year.
6. This includes tests and papers but may not include major projects.
7. Students WILL not be exempt from any Concurrent Credit classes.
8. Students who are exempt may elect to take an exam to raise their grade, but if the student chooses to do so they must accept their exam grade and may not later change that decision.

*School administration has the right to make decisions concerning exemptions due to unforeseen circumstances.

Curriculum and Courses

The upper school curriculum relies heavily on Christian publications and other publications that have been approved by the school administration. The curriculum is under continual review, and when improved texts are available the school may adopt the newer, improved textbooks.

The Bible is a vital part of the curriculum at Conway Christian School and will be treated as such. It is important for both academic and spiritual health. It will be taught and graded with the same conviction as all other classes.

Conway Christian School will not accept courses taken by currently enrolled students from other institutions that are already offered and made available by Conway Christian School to that student unless approved by the administration.

Students will not be allowed to drop courses without permission from the administration.

In order to graduate from Conway Christian School, 24 credits including Bible are required.

- The second-semester eighth-grade student and the first-semester ninth-grade student meet the requirements for junior high by successfully passing four academic courses the previous semester, three of which shall be in the core curriculum areas (math, science, English, and social studies).
- First semester of ninth grade students must pass four academic classes to be eligible second semester of ninth grade.

NCAA Policies

Division 1-16 Core courses

Student athletics will need to present 16 core courses in the following breakdown:

- 4 years of English
- 3 years of Math (Algebra I or higher)
- 2 years of natural/physical science (one must be a lab science)
- 2 years of social studies
- 1 additional year in English, Math, or Science
- 4 years of additional core courses (from any area listed above, or from a foreign language, non-doctrinal religion, or philosophy)

Attendance Policy for Extra-Curricular Activities

Students are required to be in attendance from **their** lunch until the end of the school day to be eligible to participate in extra-curricular events and practices. When medical appointments or illness cause the student to miss during the afternoon, that student will be ineligible to participate in that day's athletic event or practices, unless a doctor's note is provided to the office when that student checks in.

ATTENDANCE POLICIES

It is important that a student is at school every day. Time missed from class can never be fully made up, and we want to emphasize the importance of regular attendance. Students missing more than 10 (ten) unexcused days in a semester WILL be considered ineligible for credit in that class unless there are extenuating circumstances as determined by the administration.

Conway Christian Upper School is a closed campus. Once a student arrives at school, they are expected to remain at school until the end of the school day unless attending a school-sponsored event, a medical appointment, physical therapy, a counseling appointment, court, or a funeral: all of which would be excused. Once a student leaves campus for anything that would not be considered excused, that student would not be permitted back at school the rest of the day without prior approval by the school administration.

All absences (unless it is a school sponsored event) will be considered unexcused and count toward the maximum of 10 (ten) per class each semester unless you provide any of the following documentation from that day:

- Doctor/Dentist Note
- Court Note
- Funeral Note
- School Nurse Excuse
- Approved College Visit
- Parent Notes will not be considered for an excused absence. This includes parents who are in the medical field. Doctor's excuses must come from a non-family member.

Circumstances occasionally prevent a student from attending school. If your child is absent, we request the following:

- A phone call and/or an email from the parent to the school office by 10:00 a.m. on the date(s) of the absence
- An email to the student's teachers so that the student may be able to obtain any information they may need to keep on track in that course, including information from Google Classroom or Canvas.

Attendance in Concurrent Classes is required and have a much more strenuous attendance policy. In order to maintain concurrent credit in your chosen class, Students may not miss more than 8 (eight) total days in a semester in any concurrent class regardless of whether it is excused or unexcused. School-sponsored events will not count toward these absences. In the case that a student misses more than 8 days, they will continue in the class and may still get high school credit but will be ineligible for college credit in the said course and may lose the opportunity to take other concurrent courses in the future. This drop MAY affect their college transcript.

**Concurrent students are responsible for contacting their teacher personally when absent on assessment days. Due dates for papers and projects do not change even when absent. Students are responsible to adhere to all deadlines.*

Excused & Unexcused Absences:

Students who miss more than 10 (ten) minutes from an individual class period, will be considered absent from that class. All absences are considered unexcused without any of the documentation as mentioned above. **All excuses are expected to be turned in no later than 2 weeks after the absence unless there are extenuating circumstances that prevent it.** CCS will generate an email that will go home once any student reaches 5 absences, 8 absences, and 10 absences in an effort to keep an open line of communication regarding each student's attendance.

Guidelines for Make-up Work

Make-up time available is equal to the time of their absence.

Some work, such as class participation, cannot be made up and may affect grades to a degree. Other types of work, like quizzes or labs, also may not lend themselves to make-up work.

It is the student's responsibility, not the teacher's, to initiate the make-up work plan. If the teacher-specified assignments are not completed during the designated time frame, a zero will be given as the grade for the assignment.

Students should not expect the teacher to delay tests or allow extra time simply because the student missed a day of school before a test. Consideration will be given to students missing several days in a row, or those obviously too ill to prepare for the test. It is the **student's responsibility** to check with the teacher to make up a test.

Excused Absence / Semester Exams

Parents are expected to have students present for semester exams. Teachers should not be expected to finish the curriculum early or make review sheets earlier than planned due to a student's absence during final exams. A student that must miss semester exam(s) will be expected to contact both their teacher and the principal. They will take the exam for each class with the school counselor or principal upon their return to town or at the earliest convenience of school personnel.

College Visitation

Freshmen through seniors are allowed to take days to visit colleges and universities. Students should provide a written request from their parents notifying the school of the day(s) and the location of the college or university being visited. **All students visiting a college or university should return from the visit with a letter on the college or university letterhead stationery stating the date(s) the student visited.**

The following is the number of days per year a student will be excused for a college or university visit: Freshman: one, sophomores: two, juniors and seniors: three.

Outreach Ministry

The outreach ministry is an important part of teaching young people to serve others in our community as Jesus would. Because it is at the heart of who we are as a Christian school, students must participate in the outreach ministry as scheduled. A working detention will be assigned to any student that is absent during the outreach without a valid excuse approved by the administration.

Unexcused Tardy to Class

Conway Christian does not distinguish between excused and unexcused tardy.

There is grace given for unavoidable occasions by allowing up to three tardies without discipline. Students who arrive after the tardy bell rings will be considered tardy; however, arriving more than 10

minutes after the tardy bell rings will be considered absent. Likewise, students who leave class before attending for at least 40 minutes will be counted absent.

Four tardies to any one class in a semester will be required to attend one detention hall. Each subsequent tardy in the same semester will result in one day of detention hall. Any student receiving three detention halls for tardies in any one semester MAY be assigned SS, ISS, or OSS for a day.

CYBER DAY POLICY

Conway Christian School students may utilize cyber day to complete class work and assignments on snow or other canceled school days. Students and teachers can take advantage of the 1:1 technology to maintain learning and instruction, even though they are not in the school building. Students will only be required to be online when researching, participating in the online community, during online lessons and discussion, or at pre arranged meeting times.

The following schedule will be used to facilitate a cyber-school day for grades 7 - 12:

- By 9:00 a.m. - Teachers will post assignments, sending an email to students with directions for completing the assignments.
- By 10:00 a.m. - Students will log in to their teacher's learning management system (Google accounts, Canvas, or Edmodo, etc.) to have their daily attendance taken and to check their school email accounts for their assignments.
- 1 - 2 p.m. - Teachers will be available online to address student questions via the learning management system of choice. Students should review all assignments prior to this time, so they are prepared to ask any questions they have about the assignments. Students may communicate with teachers at other times as scheduled by or with their individual teachers.
- Each teacher will use Remind to message students that their lessons are live and where they can be accessed.
- All work for grades 7 - 12 needs to be submitted by 5:00 p.m. unless otherwise noted by administration or staff.

AFTER-SCHOOL ACTIVITY CANCELLATIONS

In the event of an early dismissal, or if school is closed the entire day due to inclement weather or other emergency, it is the normal procedure to cancel all afternoon and evening events. There may occasionally be an exception to this rule.

GENERAL DISCIPLINE POLICY

In order to provide suitable educational opportunities for all students in the classroom and to enhance the effective moral training of the student, Conway Christian School adheres to the following philosophies:

1. The responsibility and authority to discipline comes from God (Ephesians 6:1-4).
2. Christian love should be at the heart of all discipline. One side of love is correction and chastening, an essential part of the firmness of love. Firmness without love becomes harsh, whereas, love without firmness is a sentimentality (Proverbs 3:11-12).

The school seeks to instill the following characteristics in our students:

- Cheerful obedience to all in authority
- Responsibility for doing assigned or expected tasks
- Cooperation with others within and outside the classroom
- Courtesy and respect for others
- Cleanliness in person and property
- Truthfulness and honesty in work and life
- Respect for property that belongs to others

- Promptness in attendance and assignments
- Morally good conduct with respect to recreation, social relationships, and language

DISCIPLINARY POLICIES

At the Upper School campus, violations fall into various classifications. In every disciplinary action taken, the goal to which the student is directed is the indication of a repentant and obedient spirit toward all authority, particularly the authority of Jesus Christ (I Samuel 15:22-23). For specific offenses, there are specific corresponding disciplinary actions. Such a disciplinary system produces consistency while at the same time upholding the holy standards of God by offering grace and redemption. (Malachi 3:6; Hosea 12:6; I Peter 1:15-16).

For students who consistently violate classroom rules regarding common courtesy, adequate preparation, studious attitude, etc., the classroom teacher will contact the parent and possibly assign extra work to that student or send that student to the administrator for further disciplinary action. Poor behavior in class will undoubtedly affect the individual’s grade and his personal spiritual growth. We expect proper behavior for the safety and proper instruction of every student for whom we are responsible. The support of parents is essential.

Note: Any other offense of a major nature will result in disciplinary action consistent with the above. The final disposition of any offense will be left to the principal and head of the school.

Note: Prescription drugs as well as all over-the-counter medication must be administered by the school nurse or personnel only. A student who is taking medication and discovers after arriving at school that they have medication with them will not be considered guilty of an offense if it is presented to the office upon discovery.

Detention Hall

Students will be assigned AM detention in a supervised setting to do work as assigned by an administrator. AM Detention starts at 7:15 in the Intermediate School and releases at 7:45. When the detention hall is assigned, parents will be notified via email through RenWeb. Failure to arrive ON TIME will result in extra days of detention and can result in punishment up to OSS. Occasionally Lunch Detention may be assigned for behavior, however Lunch Detention is not an option to replace AM Detention.

Saturday School

Saturday School is a punishment that can be used in lieu of ISS or OSS. It is provided once a month. It runs from 8:00 am to 12:00 pm in the assigned room that is stated in the disciplinary referral. The student will be assigned Saturday School in a supervised setting to do work as assigned by an administrator. When Saturday School is assigned, parents will be notified via email as well as with a pink slip and phone call. The assigned student must arrive prior to the assigned time that Saturday School begins. The student

will not be admitted after said time. The offending student will remain in Saturday School the entire time to receive credit for attendance. Failure to attend the assigned Saturday School will result in up to 3 days of OSS.

In School Suspension (ISS)

In School Suspension (ISS) is a punishment used in lieu of Out of School Suspension. The student will be assigned ISS in a supervised setting to do work as assigned by an administrator. ISS will begin sharply at 8:00am and will conclude at 3:15pm. There will be a portion of time doing community service on campus. The offending student will be required to have all materials needed for the day to complete all work assigned. When ISS is assigned, parents will be notified via email as well as with a pink slip and phone call. Misbehavior causing removal from ISS will result in up to 3 days of OSS.

Out of School Suspension (OSS)

The offending student will be dismissed for the entire day of school from one to eight days as assigned by the administrator. Parents will be notified by phone and email. Students may not be allowed to make up tests or other assigned work missed during the duration of their suspension for a grade. No student may participate in extracurricular practices, games or performances while suspended.

Plan for Academic Disciplinary Recovery

A Plan for Academic Discipline Recovery is one put in place by the administration that will be assigned under certain circumstances where students receive OSS. These offenses would have been major in nature. All parameters of the PADR must be met prior to the offending student being allowed to return to school. The PADR can include but is not limited to essays, restitution, drug screening, counseling, and community service.

Expulsion

Any expelled student will be dismissed from the school system for the remainder of that current school year. Parents will be notified by phone and letter.

Students will be considered for re-enrollment, following a full semester of suspension, if a satisfactory student evaluation is received from another school system. This will be determined by the recommendation of the CCS school administration and the school board.

Cell Phone and other Smart Device Use Policy for High School

Students may not use their cell phone during the school day during instruction time. All cell phones should be placed in appropriate spots, specifically designated in each classroom, during instruction time, this means from bell to bell. Cell phones may only be used before or after school, during lunch or during passing periods. If a student is caught using their cell phone during an unapproved time or found on their person during class, it will be taken up and sent to the office for a probationary period. Habitual abuse of the policy can lead to detention or Saturday School in addition to the students not being allowed to bring their phone back to school. Smart Watches are allowed but not to be used (except for telling time) during instruction time with the exception being during text or quizzes when a teacher may ask them to be completely removed. Students may use the entire function of the watch before or after school, at lunch and during passing periods. Headphones/earbuds are not allowed except for noise cancellation purposes and must be approved by the principal prior to use.

Cell Phone and other Smart Device Use Policy for Intermediate School

Students may bring their cell phones to campus but they are not allowed to be used during school hours. If a student brings their cell phone to campus it must be placed in their first-period classroom, powered off, and can then be retrieved at the end of the school day. Students who are found to abuse this policy will not be allowed to bring their cell phones to campus. Smartwatches, or other similar devices, are not permitted. Bluetooth earbuds are not permitted.

Threats of Violence with Intent to Harm

Parents should understand that the school's first responsibility is the protection of all of its students, faculty/staff, and parents. The school takes this responsibility very seriously. Therefore, if a student or parent brings a weapon to school, or a school function, or has a weapon on his/her person, the school may immediately expel the student or ban the parent from campus. All should be advised that the school may contact local police or appropriate authorities and will note in the student's permanent record that he/she was suspended or expelled for possession of a weapon on school premises or at a school function. Possession includes but is not necessarily limited to, having a weapon in a locker, book bag, purse, or vehicle.

If the school determines that a threat of violence (made by a student or parent) is credible (with or without a weapon involved) and specifically directed toward students, faculty/staff, or other parents the administration will report to the student and/or staff member that a threat was made. The school will also report the threat to the appropriate authorities. Students or parents making such threats could result in suspension, expulsion, or ban from campus. For purposes of this policy, credible means a reasonable belief or suspicion, determined at the sole discretion of school administration, that the threat was or might be genuine or that the student/parents were or might be capable of carrying out the threat. The student and/or parents' permanent record will reflect the threat of violence and appropriate action will be taken.

Threats of Violence Without Intent to Harm

In those circumstances in which the school determines that the threat is likely, or not credible, the school will have a parent meeting. These include all cases in which the student was "just joking." If circumstances warrant, the school may conduct further investigation. The school could recommend counseling, at family expense, from a Christian counselor or other professional agreeable to the school.

Bullying

Respect for others is directly related to our mission and core values. Bullying creates an atmosphere of fear and intimidation, robs a person of his/her dignity, detracts from the safe environment necessary to promote student learning, and will not be tolerated by the school. Students who bully another person shall be held accountable for their actions whether they occur on school equipment or property; off school property at a school-sponsored or approved function, activity, or event; or going to or from school or a school activity in a school vehicle or school bus.

A school principal, or designee, who receives a credible report or complaint of bullying shall promptly investigate the complaint or report and make a record of the investigation and any action taken as a result of the investigation.

“Bullying” means the intentional and ongoing harassment, intimidation, humiliation, ridicule, defamation, or threat or incitement of violence by a student against another student or school employee by a written, verbal, electronic, or physical act.

Examples of "Bullying" may also include but are not limited to a pattern of behavior involving one or more of the following:

1. Sarcastic comments or "compliments" about another student's personal appearance or actual or perceived attributes,
2. Pointed questions intended to embarrass or humiliate,
3. Mocking, taunting, or belittling,
4. Non-verbal threats and/or intimidation such as “fronting” or “chesting” a person,
5. Demeaning humor relating to a student's actual or perceived attributes,
6. Blackmail, extortion, demands for protection money or other involuntary donations or loans,
7. Blocking access to school property or facilities,
8. Deliberate physical contact or injury to person or property,
9. Stealing or hiding books or belongings,
10. Threats of harm to student(s), possessions, or others,
11. Verbal sexual harassment, calling names such as “gay”, etc.

“Cyberbullying” of a Student or Employee(s) is expressly prohibited and includes but is not limited to:

1. Building a fake profile or website falsely attributed to a student or employee;
2. Posting or encouraging others to post on the Internet private, personal, or sexual information;
3. Posting an original or edited image on the Internet without the consent of that person;
4. Accessing, altering, or erasing any computer network, computer data program, or computer software, including breaking into a password-protected account or stealing or otherwise accessing passwords; making repeated, continuing, or sustained electronic communications, including electronic mail
5. Signing up a student or employee for a pornographic Internet site

Students are encouraged to report behavior they consider to be bullying, including a single action which if allowed to continue would constitute bullying, to their teacher or the building principal. The report may be made anonymously. Teachers and other school employees who have witnessed, or are reliably informed that a student has been a victim of behavior they consider to be bullying, including a single action that if allowed to continue would constitute bullying, shall report the incident(s) to the principal, or designee. Parents or legal guardians may submit written reports of incidents they feel constitute

bullying, or if allowed to continue would constitute bullying, to the principal, or designee. The principal, or designee, shall be responsible for investigating the incident(s) to determine if disciplinary action is warranted.

Students found to be in violation of this policy shall be subject to disciplinary action. In determining the appropriate disciplinary action, consideration may be given to other violations of the student handbook which may have simultaneously occurred. In addition to any disciplinary actions, the school shall take appropriate steps to remedy the effects resulting from bullying.

Prohibited Drugs and Alcohol Policy and Screening Test Procedures

Conway Christian School is determined to have a drug and alcohol-free student body and intends to strictly enforce this drug and alcohol policy. This may be accomplished through prevention through education and disciplinary action. Drug screening tests may be the only one procedure employed to enforce this policy. The school may take disciplinary action, including expulsion, without the necessity of a drug test.

Any of the following actions constitute a violation of this policy and may subject a student to disciplinary action as determined by the school in its sole discretion, including expulsion:

1. Using, selling, purchasing, transferring, possessing, manufacturing, processing, preparing or storing alcohol or prohibited drugs (excluding prescription or over-the-counter drugs in accordance with medical treatment) or any other substance representing the foregoing, or any drug paraphernalia, or assisting another to do so anytime or anyplace.
2. Switching, adulterating, or attempting to tamper with any sample submitted for testing or otherwise interfering or attempting to interfere with the testing process.

When a school administrator has reasonable suspicion that a student(s) has violated this policy, he or she may require a drug screening test to be administered by an appropriate testing agency and/or search for the individual(s) in question. Reasonable suspicion may result from the following or other circumstances giving rise to reasonable suspicion: (a) observed behavior; (b) receipt of credible reports by two or more reliable witnesses; (c) detection of odor by a school employee; or (d) discovery of a prohibited substance on the student, in the possession of the student, in or around school premises, school property, vehicles, or other areas in which the student has had access. In addition, the school reserves the right to conduct random drug screening tests at any time. Random does not mean students are randomly selected, it means they are done in random nature throughout the course of the school year. Students may be selected based on previously mentioned guidelines, association with said individuals, and/or simply selected by the school administration.

Any student subject to the application of this policy shall be afforded "reasonable, fair, and appropriate procedures" in accordance with the policies of the testing agencies and with oversight from the school administration. Should the drug testing result be positive, the parent will be notified by either the drug testing company and/or the school. They will then be responsible for paying for the testing fees. Should the testing results be negative, the school will pay for the testing fees. Should the drug screening test results be positive in any category, the student will be subject to disciplinary action, including without limitation, expulsion.

The school will consider action initiated by the student or parent to voluntarily obtain help or assistance with problems associated with the use of alcohol or prohibited drugs before being implicated in conduct prohibited by this policy as a factor mitigating suspension or expulsion. However, the weight given to such factors shall be within the sole discretion of the school. Further, failure on the part of the student to adhere to a treatment and rehabilitation plan shall be grounds for disciplinary action, including without limitation, expulsion.

Search and Seizure

Conway Christian School System respects the right of students to privacy and security against arbitrary invasion of their person or property. School officials do have the right, however, to search students and their property in the interest of the overall welfare of other students or when necessary to preserve order and discipline in the school. School authorities may conduct searches of students' backpacks, vehicles, lockers, cell phones, and desks when there is reasonable suspicion to believe that stolen items or items prohibited by law or school policy are contained in the area to be searched. School officials will seize illegal contraband, weapons, drugs, alcohol, tobacco, vaping equipment, or stolen property found in a search. The search of a student's person may be conducted only if school officials have reasonable suspicion to believe that a student's clothing, purse or other personal possessions contain stolen items or items prohibited by law or school policy.

Personal searches must be conducted by a school official of the same sex and with an adult witness of the same sex present. If law enforcement authorities are involved, complete cooperation will be given to them by school authorities in their investigation.

Student Incompatibility

Conway Christian School is a ministry and will try to meet the needs of any student; however, it is not necessarily a school for every student. Continued, disruptive behavior, persistent disobedience to rules, and/or failure to exert an effort to achieve will result in specific student evaluations by each teacher. Based on these evaluations the principal may place the student on 3-week probation. Prior to this probation, the principal will conference with the parents. If marked improvement by the student indicated on successive teacher evaluations is not noted, the student will be dismissed from the school system. A student who withdraws will receive purchased textbooks but will not receive any purchased testing materials.

Pregnancy

Conway Christian School has a moral and legal responsibility to maintain suitable standards within the school and to assure the welfare and health of all students. Therefore, it is essential that all pregnant students report their pregnancy to the administration as soon as the pregnancy is confirmed by the medical authority. As soon as the pregnancy is confirmed, the student and parents will meet with the President to discuss the situation and an appropriate plan for the student.

NOTE: Any other offense of a major nature will result in disciplinary action consistent with the above. The final disposition of any offense will be left to the school administration.

Conflict Resolution (Matthew 18:15)

If a student or parent is offended by the words or actions of a teacher or any person involved in the system, as Christians, they should go first to the person through whom the offense came and share this with that person.

If, after consulting together and praying for mutual understanding, there is no reconciliation, then they should agree to go together to counsel with the principal or person directly over him, but never before approaching the person committing the offense.

In like manner, if the matter is not resolved there, it may then, and only then, be taken to the President.

CAMPUS POLICIES

School Days

Students may enter the building at 7:30 a.m. The tardy bell will ring at 8:00 a.m. for grades 6 – 12. The school will be dismissed at 3:15 p.m. Students must leave the campus following dismissal.

Articles Prohibited from School and School Functions

Items such as cards, games, toys, media devices (including iPods, PSPs, cameras, or MP3 players, etc.), questionable literature, questionable music, skateboards, matches, lighters, and weapons are not permitted at school at any time.

Automobiles and Parking

For the overall effective operation of the school it is important that the following regulations apply to the parking area:

- All vehicles driven to school by students must be registered with the office.
- Motorbikes and bicycles must be parked in the designated area.
- Students may not go to their vehicles during the course of the school day without permission from an administrator or office staff.
- When students leave school on either early dismissal or in the afternoon, they must go to their vehicles immediately upon entering the parking area, and leave.
- A 5 M.P.H. speed limit while on school property will be observed.
- Students must park in designated areas only. (Failure to follow guidelines will result in possible fines of \$5.00 or loss of driving privileges.) Driving a vehicle to school is a privilege and it must be understood that with such a privilege comes certain responsibilities.
- Students who abuse their driving privileges can be restricted from driving on campus at the discretion of the administration.

In-Class Presentations

Students are expected to request and obtain approval from the regular classroom teacher prior to presenting any outside material aloud or making an announcement to the class.

Deliveries

If you have items for your student, bring them by the office and they will be delivered during non-academic time. Due to safety concerns, lunch deliveries will only be allowed to be made on campus by a parent or family member on the student's emergency contact list. We will NOT allow food to be dropped off by any delivery services (GrubHub, DoorDash, etc) for the 24-25 school year. This includes orders placed by students and/or parents. If a parent/family member is delivering lunch for a student, food may only be retrieved by the student during their lunch time. They will not be allowed to receive their food during class, ILT or AO. Deliveries must be left on the table outside of the intermediate office with the students' name on it. Parents may only deliver food to the student in front of the commons if you are signed in and plan to eat with them.

Lunch

Upper School students may bring their lunch or purchase snacks from the campus vending machines or from the catering company that provides lunches. Students will observe the closed campus policy during lunch. Only family members, youth ministers, and pastors are welcome to come on campus for lunch after first signing in at the office.

Lost and Found

Items found on school grounds are brought to the school office. Please place your student's name on all items for easy identification. Unclaimed items will be given to charity at the end of each 9-week grading period.

Photographs

Individual school pictures will be taken in the fall of the year. Parents will be notified in advance of the date, costs, and options. Uniforms are to be worn on these days unless specified.

Office Telephone Use

Telephone messages should be restricted to medical emergencies only. Personal matters between parents and students should be handled at home before the student leaves for school. Students will be allowed to call home only in an emergency.

Visitors

Parents, pastors, and youth pastors are welcome to visit the school. When visiting the school, please check in at the office first and receive a visitor's pass; do not go directly to any classroom, lunch room, or any other area of the school. Because of the potential for too many visitors on the same day, students who attend other schools in the area may not visit CCS on days when their school is closed unless they make prior arrangements with the administration.

Emergency Closing

Should it become necessary to dismiss school due to inclement weather or other reasons, parents should watch local TV stations, and check email, and text messages for announcements regarding Conway Christian School closings.

First Aid Services

Students who become ill or hurt at school are brought to the school nurse or office. If your child is in much discomfort you will be called and asked to come and take the child home. In the meantime,

everything will be done for the child's comfort and welfare. In the case of small superficial cuts and abrasions, the injury will be gently cleaned and bandaged. Students are not permitted to help themselves to first aid materials.

No medication will be administered by the school without written instruction from a parent. All medications must be kept in the nurse's office. All medication, including non-prescription medication (e.g. Tylenol, aspirin), must be provided by the parent and kept in the nurse's office.

HEALTH SERVICES

The school has the services of a school nurse for routine health screenings, hearing, vision, etc. The nurse is on call for emergencies and consultations at other times. **Emergency numbers must be on file at the school in order for school personnel to be able to contact a responsible person at all times.** Parents should immediately notify the school in writing any changes in their mailing address or phone numbers.

Health Guidelines

If a student becomes ill, parents and or emergency contacts will be expected to pick up their child as soon as possible. When parents and/or emergency contacts cannot be reached, school officials shall act in *loco parentis* and secure medical attention. Only emergency first aid may be provided at school. In the event of an accident or illness requiring emergency medical attention, every effort will be made to contact the parent or emergency contacts; however, 911 may be called to dispatch an ambulance to the school.

The school reserves the right to exclude any student whose physical condition interferes with the ability to learn or exposes other students to potential communicable diseases in accordance with the Arkansas Department of Health.

Students Must Be Kept from School

- if they have a temperature over 100 degrees (temperature should be normal for 24 hours without the aid of medication before returning to school).
- if they have had vomiting or diarrhea within 24 hours
- if they have an undiagnosed rash
- if they have a contagious cold with watery nose, glassy eyes, and persistent cough or sneeze
- if they have weeping or bleeding lesions that cannot be covered or effectively controlled with medication

Communicable Diseases and Parasites

Students with communicable diseases or with parasites shall demonstrate respect for others by not attending school while they are contagious. In some instances, a letter from a healthcare provider may be required before the student is readmitted to the school.

The parents or legal guardians of students found to have live lice or nits will be asked to pick up their child at school. The parents or legal guardians will be given information concerning the eradication and control of head lice. Before students may be readmitted following an absence due to head lice, the

school nurse or designated staff member shall examine the student to make sure they are free of any lice or nits.

The school may conduct screenings of students for head lice as needed. The screenings shall be conducted in a manner that respects the confidentiality of each student.

Medications

Prior to the administration of any medication to any student, parental consent is required on the Medication Release Form. **Handwritten notes are not acceptable in any circumstance.** All necessary prescription and non-prescription medication must be administered by authorized school personnel. It is the parent's responsibility to bring any appropriate supply of medication to the office in the **original** pharmacy container. Medication is administered only by authorized school personnel and is stored in a locked cabinet. Medication must be delivered in person by the parent to the school office; students should **never** carry medication with them, in their lunch, or keep it in their locker without approval from the school nurse and/or principal.

When a medication is no longer needed or if they have not been used for a period of time, the parents will be notified to pick up the medication in the office. The school shall not keep any outdated medications or any medications past the end of the school year.

Parents of children with allergies must submit a list of substances that trigger allergic reactions and a description of the type of reaction usually experienced. The list may be shared with teachers, assistants, and volunteers as needed to prevent exposure.

Children subject to anaphylactic reactions due to bee stings or other allergies should bring emergency medication to be kept at school with a physician's instructions for use.

Immunizations

State law requires every student in the school setting to be immunized against certain diseases. A record from the health department or the student's physician documenting these requirements and dates given must be kept on file in the nurse's office. It is the parent's responsibility to provide these documents to the school. Religious, medical, and philosophical exemptions can be obtained through the Arkansas Department of Health. However, proof of exemption letters must be obtained each year and provided to the school for their records.

Screenings

The school will administer medical screenings of students from time to time. The intent of the screenings shall be to find defects in hearing, vision, or other elements of health that would adversely affect the student's ability to achieve his/her full potential. Screenings include monthly and random drug testing.

TECHNOLOGY

Student Acceptable Use Policy

Conway Christian School recognizes that access to technology in school gives students greater opportunities to learn, engage, communicate, and develop skills that will prepare them for work, life, and citizenship. We are committed to helping students develop 21st-century technology and communication skills. To that end, we provide access to technologies for student and staff use.

This Acceptable Use Policy outlines the guidelines and behaviors that students are expected to follow when using technologies in school or when using their iPad computer or other electronic device on the Conway Christian campus.

- The Conway Christian School wireless network is intended for educational purposes.
- All activity over the network or using school technologies will be monitored and retained.
- Access to online content via the network is restricted in accordance with our policies and federal regulations, such as the Children’s Internet Protection Act (CIPA).
- Conway Christian School-issued devices (Chromebooks) are the only electronic computers allowed in the classroom without administrative approval. Personal devices such as laptops, iPads, phones, etc., are not allowed.
- Students are expected to follow the same rules for good behavior and respectful conduct online as offline.
- Misuse of school resources may result in disciplinary action.
- Conway Christian School makes a reasonable effort to ensure students' safety and security online, but will not be held accountable for any harm or damages that result from the use of school technologies.
- Users of the Conway Christian School network or other technologies are expected to alert school faculty or administration immediately of any concerns for safety or security.

Using an iPad or other Electronic Device at School

Only school-issued iPads and Chromebooks may be used at school each day. In addition to teacher expectations for the use of these devices, school messages, announcements, planners, calendars, and schedules may be accessed using these devices. Students who repeatedly (three or more times in a quarter) fail to bring their device to school or fail to maintain a fully charged battery may lose the privilege of their use for a time to be determined by the school's administration.

Hot Spots, 3G/4G, and Wired

Students are not permitted to connect to the Internet using a detected hotspot or 3G or 4G account while at school. Students shall not directly wire a connection to the school network.

Charging Your Device’s Battery

iPads or other devices must be brought to school each day in a fully charged condition. Keep in mind that, currently, an iPad, for example, can take up to 5 hours to charge fully.

Screensavers/Background Photos

Users of iPads and electronic devices are expected to choose appropriate wallpapers, screensavers, desktops, backgrounds, and/or displays for their devices that are consistent with the school's core values and mission.

Sound, Music, and Photos

On school-owned iPads and devices, students may not download music from iTunes or any other music-sharing site unless directed by or with the permission of a teacher. On all school-owned devices, sound must be muted at all times unless permission is obtained from the teacher for instructional purposes. Students are not allowed to save non-educational photos on school devices.

Gaming

Students may only use appropriate gaming apps during the discretionary time and with approval. Discretionary time would not include classroom instructional time, chapel, and/or other events or environments where the use of devices would not be appropriate. School administration faculty and staff always reserve the right to ask students to close their gaming app or to do random checks during non-discretionary times.

Saving Work

It is the student's responsibility to ensure that work is not lost due to equipment failure, failure to back up files, or deletion. Device malfunctions are not an acceptable excuse for not submitting work. Students should back up all work for their protection.

Network Connectivity

Conway Christian School makes no guarantee that the school's wireless network will be up and running 100% of the time.

Downloading Apps

Teachers may require students to download apps or electronic books that have applications to their specific course content.

Inspection

Students may be required to provide their technology for inspection at any time.

Web Access

Conway Christian School provides students with access to the Internet and its content for educational purposes. Web browsing will be monitored and web activity records may be retained.

Users are expected to respect that the web filters used are safety precautions and are not to be circumvented. If a user believes a site or content should not be blocked, the user should alert a member of the school faculty or administration.

Email

Conway Christian School provides students with an email account for school-related communication. Availability and use may be restricted based on school policies.

Students provided with email accounts should use email with care. Users should not send personal information; should not attempt to open files or follow links from unknown origin and should only communicate with other people as allowed by Conway Christian School policy or their teacher. Users are expected to exercise appropriate, safe, mindful, and courteous communication. Email usage may be monitored and archived.

Social/Web 2.0/Collaborative Content

Recognizing the benefits collaboration brings to education, Conway Christian School may provide users with access to websites, content, and/or tools that allow collaboration, sharing, and messaging among users. Posts, chats, sharing, and messaging may be monitored. Users are cautioned not to share personally-identifying information online. (see Social Media Policy)

Security

Users are expected to take reasonable safeguards against the transmission of security threats over the school network. This includes not opening or distributing infected files or programs and not opening files or programs of unknown or distrusted origin.

If a user believes a device being used might be infected with a virus, they should alert personnel in the school's IT department. A device user should not attempt to remove the virus using any means or methods.

Plagiarism

Users should not use content without appropriate citation. This includes the usage of words from the Internet or elsewhere. A misrepresentation of appropriate credit to the content's creator is considered plagiarism. All research should be appropriately cited. (See Cheating and Plagiarism Policy)

Student Safety

Users should never share personal information, including phone number, address, social security number, birthday, or financial information, over the Internet without adult permission. Students should recognize that communicating over the Internet brings anonymity and associated risks, and should carefully safeguard the personal information of themselves and others. Students should never agree to meet someone they meet online in person without parental permission.

If a student should encounter any message, comment, image, or other content online that causes concern for one's personal safety, it should immediately be brought to the attention of an appropriate adult.

Cyber-bullying With Intent to Harm

Harassing, denigrating, impersonating, pranking, excluding, and cyber-stalking are all examples of cyberbullying. Cyberbullying will be dealt with seriously. Sending emails or posting comments, images, and/or other content with the intent of scaring, hurting, or intimidating someone else can be considered cyberbullying.

Engaging in these behaviors, or any online activities intended to harm (physically or emotionally) another person, can be a crime. These behaviors may also result in severe disciplinary action and loss of privileges. Remember network activities are monitored and retained. (See Anti-Bullying/Harassment Policy)

LIBRARY

Parents and students may search for books on the Online Public Access Catalog by going to <http://conwaychristianschool.booksys.net/opac/ccs/index.html>. OPAC allows access to all books and materials in the high school and elementary libraries. The online system will also keep you current on library activities throughout the year.

Students will receive a library card at the beginning of the school year. This card will remain in the library for students to use whenever needed. If the student loses the library card, a \$1.00 charge will be given for a replacement card.

ALL books must be checked in/out using the library automation system. If a librarian is not present, students must follow instructions given at the computer check station.

Students may check out a book for two weeks (10 school days). This two-week period includes only the days school is in session. A grace period of two days is also extended before fines are calculated. Overdue book notices are sent home monthly. This overdue notice will state the student's name, title, barcode number, cost, and due date of the book. If the student has lost the book, the slip can be returned with payment and a new book will be purchased in its place.

Students may check out two books at one time. If additional books are needed for research purposes, an override can be made by the librarian or assistant for three additional books. Fines for overdue books will be \$.25 each day. These fines are automatically calculated on the computer system. Students will not be allowed to check out another book if fines exceed \$5.00 until the book is returned and fines are paid. Students will be responsible for payment of lost or damaged books.

Each year inventory is taken at the CCS libraries during May. All library materials are required to be returned and fines are settled before inventory. On the first day of inventory, the names of students with outstanding fines will be turned over to the business office for collection. An additional \$5.00 fee will be billed to students whose names have been turned in to the business office.

The library makes every effort to communicate with students and parents about materials. However, we cannot be held responsible for students who fail to acknowledge this communication.

ORGANIZATIONS

Parent-Teacher Fellowship

Opportunities to be involved in the life of CCS will be given at every PTF meeting. The nature of PTF meetings will vary from time to time but the general objectives of the meetings are to be as follows:

- To acquaint parents with the philosophy of Christian education.

- To provide an opportunity for parents and teachers to know each other and have fellowship.
- The PTF also serves as the organization that coordinates school volunteer programs, special events for the students, and fundraisers.

Volunteers

We request and depend upon the help of volunteers throughout the school year. Volunteer opportunities are varied and endless. If a volunteer requires a badge to enter a building on campus, they should request a daily badge from the lower or upper school office. **The badge may be checked out at the beginning of the school day and must be returned to the office before the end of the school day.** Some volunteers are classified as registered volunteers and are held to the same standards as employees. They must pass a background check and agree to abide by the rules of our employee handbook. These volunteers may receive a badge for on-campus work purposes. Examples would be the PTF president, Booster Club president, and concessions coordinator.
