Parent Name: _____

All 7-12 grade students at Conway Christian School are issued a Chromebook device for their educational use for the school year. It is our belief that if reasonable precautions and care are taken in the use of the Chromebook, the Chromebook should not experience physical damage. Each student and parent are asked to read this form **carefully**. The parent and the student should sign at the appropriate location on page 2.

Personal Responsibilities	
1	I/We understand that the Chromebook and its accessory equipment are the property of Conway Christian School and fees associated with the device provide for school network infrastructure, tech in the classroom, filtering for online safety, insurance, printing, annual software subscriptions and tech support.
2	I/We understand that the student, with the support of the parent, is responsible for the daily care and maintenance of the Chromebook. The student should perform updates to the Chromebook by regularly shutting down and restarting it.
3	I/We understand and agree to abide by the rules and regulations of the Conway Christian Technology Acceptable Use Policy [As noted in the Student Handbook and on the school website]. Failure to abide by this policy will result in disciplinary action.

5	I/We understand that I/we must report all Chromebook damages or the theft/loss of the device to the Technology Director immediately and a police report filed for theft.
6	I/We understand the Chromebook <u>must NOT be placed in a backpack</u> . Instead, a separate case such as a neoprene case is recommended, but not provided by the school.
7	I/We understand that I/we will be responsible for <u>ALL</u> repair/replacement charges associated with Chromebook damages caused intentionally, through a lack of reasonable precautions or loss/theft. Cost will be set by repair professionals authorized to act in such a capacity as part of the agreement between the school and the manufacturer.
